CITY OF SAN DIEGO LABOR COMPLIANCE PROGRAM

PREFACE

The City of San Diego institutes this Labor Compliance Program for the purpose of implementing its policy relative to the labor compliance provisions of State and Federally funded public works contracts. This program is applicable to all public works projects which are designated as requiring prevailing wages.

California Labor Code Section 1770, *et seq.* requires that contractors on public works projects pay their workers based on prevailing wage rates established and issued by the Department of Industrial Relations, Division of Labor Statistics and Research.

California Labor Code 1771.5 requires an awarding body to identify prevailing wage requirements in bid invitations, contract language and at pre-construction conferences, to review payroll records to verify compliance with the Labor Code, and to withhold contract payments when payroll records are delinquent or inadequate or when underpayments have occurred.

California Labor Code Section 1776 requires contractors to keep accurate payroll records of trades workers on all public works projects and to submit copies of certified payroll records upon request.

California Labor Code Section 1777.5 requires contractors to employ registered apprentices on public works projects.

This Labor Compliance Program ("LCP") contains labor compliance standards required by State and Federal laws, regulations, and directives, as well as policies and contract provisions, which include, but are not limited to, the following:

- Contractors' payment of applicable general prevailing wage rates.
- Contractors' employment of properly registered apprentices.
- Contractors' provision of certified payroll records upon request, but not less than weekly.
- Program's monitoring of City construction sites for verification of proper payments of prevailing wage rates and work classification.
- Program's presentation at pre-construction conferences with contractors/subcontractors.
- Program's withholding of contract payments and imposing penalties for noncompliance.
- Program's preparation and submittal of annual reports.

Labor Compliance Officers ("LCOs") will represent the City of San Diego in enforcement of this LCP.

INTRODUCTION

The City of San Diego institutes this general Labor Compliance Program (“LCP”) for the purpose of implementing its policy relative to labor compliance provisions of State and Federally-funded public works contracts and additionally to comply with the provisions of Labor Code section 1771.8 pertaining to the use of funds derived from the Water Security, Clean Drinking Water, Coastal and Beach Protection Act of 2002. This LCP contains labor compliance standards required by State and Federal laws, regulations and directives, as well as policies and contract provisions.

The California Labor Code Section 1770, *et seq.*, requires contractors on public works projects to pay their workers based on prevailing wage rates established and issued by the Department of Industrial Relations, Division of Labor Statistics and Research.

In establishing this LCP, the City adheres to statutory requirements as enunciated in Section 1771.5(b) of the Labor Code. Further, on applicable projects, the City intends to actively enforce this LCP by monitoring City construction sites for payment of prevailing wage rates and to require contractors and subcontractors with workers on applicable City projects to submit copies of certified payroll records demonstrating their compliance with payment of prevailing wage rates.

Should applicable sections of the Labor Code or Title 8 of the California Code of Regulations undergo alteration, amendment or deletion, the City of San Diego will modify the affected portions of this program accordingly.

SECTION I PUBLIC WORKS SUBJECT TO PREVAILING WAGE LAWS

State prevailing wage rates apply to public works contracts as set forth in Labor Code Sections 1720 *et seq.*, and include, but are not limited to, such types of work as construction, alteration, demolition, repair or maintenance work. The Division of Labor Statistics and Research (DLSR) predetermines appropriate prevailing wage rates for particular construction trades and crafts by county.

A. Types of Contracts to Which Prevailing Wage Requirements Apply

The City of San Diego institutes this general Labor Compliance Program as provided in Section 1771.5(b) of the Labor Code. When the City determines a project to require prevailing wages, these sections of the Labor Code will be enforced on such projects.

As provided in Labor Code section 1771.8(a), an awarding body that chooses to use funds derived from the Water Security, Clean Drinking Water, Coastal and Beach Protection Act of 2002 shall initiate and enforce a Labor Compliance Program as described in subdivision (b) of section 1771.5 of the Labor Code with respect to that public works project. Accordingly, upon approval by the Director of the Department of Industrial Relations, this awarding body LCP shall apply to public works using funds derived from this Bond Act.

B. Applicable Dates for Enforcement of the LCP

The applicable dates for enforcement of awarding body Labor Compliance Programs is established by Section 16425 of the California Code of Regulations. Contracts are not subject to the jurisdiction of the Labor Compliance Program until after the program has received initial or final approval.

SECTION II COMPETITIVE BIDDING ON CITY PUBLIC WORKS CONTRACTS

The City publicly advertises upcoming public works projects to be awarded according to a competitive bidding process. All City bid advertisements or bid invitations and public works contracts contain appropriate language concerning requirements of the Labor Code.

SECTION III PRE-CONSTRUCTION CONFERENCE

After the City awards a public works contract and prior to commencement of the work, a mandatory Pre-Construction Conference shall be conducted with the contractor and those subcontractors listed in its bid documents. The Labor Compliance Officer shall present information at this conference.

At that meeting, the Labor Compliance Officer will discuss Federal and State labor law requirements applicable to the contract, including prevailing wage requirements, respective record-keeping responsibilities, the requirement for submittal of certified payroll records to the City and the prohibition against discrimination in employment.

The Labor Compliance Officer will provide the contractor and each subcontractor with a Checklist of Labor Law Requirements (presented as Attachment A to this document) and will discuss in detail the following checklist items:

1. Contractor's duty to pay prevailing wages [Labor Code Section 1770 *et seq.*].
2. Contractor's duty to employ registered apprentices on public works projects [Labor Code Section 1777.5].
3. Penalties for failure to pay prevailing wages and to employ apprentices, including forfeitures and debarment [Labor Code Sections 1775, 1777.7, and 1813].
4. Requirement to maintain and submit copies of certified payroll records to the City, on a weekly basis, as required [Labor Code Section 1776] and penalties for failure to do so [Labor Code Section 1776(g)]. The requirement includes and applies to all subcontractors performing work on this project even if their portion of the work is less than one-half of one-percent (0.5%) of the total amount of the contract.
5. Prohibition against employment discrimination [Labor Code Sections 1735 and 1777.6; the Government Code and Title VII of the Civil Rights Act of 1964, as amended].
6. Prohibition against taking or receiving a portion of an employee's wages [Labor Code Section 1778] (kickback).
7. Prohibition against accepting fees for registering any person for public works [Labor Code Section 1779] or for filing work orders on public works [Labor Code Section 1780].
8. Requirement to list all subcontractors that are performing one-half of one percent (0.5%) of the total amount of the contract [Public Contract Code Section 4100 *et seq.*].
9. Requirement to be properly licensed and to require all subcontractors to be properly licensed and the penalty for employing workers while unlicensed [Labor Code Section 1021] and under California Contractors License Law. Also, see Business and Professions Code Section 7000, *et seq.*
10. Prohibition against unfair competition [Business and Professions Code Sections 17200-17208].
11. Requirement that contractor and subcontractor be properly insured for Workers' Compensation [Labor Code Section 1861].

12. Requirement that the contractor abide by Occupational Safety and Health laws and regulations that apply to this particular public works project.

Contractors and subcontractors present at the Pre-Construction Conference will be given the opportunity to ask questions of the Labor Compliance Officer relative to items contained in the Checklist of Labor Law Requirements. The checklist will then be signed by the contractor's representative and a representative of each subcontractor and the City's Labor Compliance Officer.

At the Pre-Construction Conference, the Labor Compliance Officer will provide the contractor with a copy of the City's LCP package which includes: a copy of the approved LCP, the Checklist of Labor Law Requirements, applicable Prevailing Wage Rate Determinations, blank certified payroll record forms, fringe benefit statements, State apprenticeship requirements, and a copy of the Labor Code relating to Public Works and Public Agencies [Part 7, Chapter 1, Sections 1720-1861].

It will be the contractor's responsibility to provide copies of the LCP package to all listed subcontractors and to any substituted subcontractors.

SECTION IV REVIEW OF CERTIFIED PAYROLL RECORDS

A. Certified Payroll Records Required

The contractor and each subcontractor shall maintain payrolls and basic records (timecards, canceled checks, cash receipts, trust fund forms, accounting ledgers, tax forms, superintendent and foreman daily logs, etc.) during the course of the work and shall preserve them for a period of three (3) years thereafter for all trades workers working on City projects subject to the LCP. Such records shall include the name, address, and social security number of each worker, his or her classification, a general description of the work each employee performed each day, rate of pay (including rates of contributions for or costs assumed to provide fringe benefits), daily and weekly number of hours worked, actual wages paid and the payroll check numbers.

1. Submittal of Certified Payroll Records

The contractor and each subcontractor shall maintain weekly certified payroll records for submittal to the City of San Diego Labor Compliance Officer as required. The contractor shall be responsible for the submittal of payroll records of all its subcontractors. All certified payroll records shall be accompanied by a statement of compliance signed by the contractor or each subcontractor indicating payroll records are correct and complete, wage rates contained therein are not less than those determined by the Director of the Department of Industrial Relations and classifications set forth for each employee conform with work performed.

Time cards, front and back copies of canceled checks, daily logs, employee sign-in sheets and/or any other record maintained for the purposes of reporting payroll may be requested by the Labor Compliance Officer at any time and shall be provided within ten (10) days following receipt of request.

2. Full Accountability

Each individual, laborer or craftsperson working on this public works contract must appear on the payroll. The employer who pays the trades worker must report that individual on its payroll. This includes individuals working as apprentices in an apprenticeable trade. Owner-operators are to be reported by the contractor employing them, rental equipment operators are to be reported by the rental company paying the workers' wages.

Sole owners and partners who work on this contract must also submit a certified payroll record listing days and hours worked and the trade classification descriptive of work actually done.

The contractor shall provide records required under this section to the City of San Diego within five (5) days of each payday, and shall make these records available for inspection by the Department of Industrial Relations, and shall permit representatives of each to interview tradesworkers during working hours on the project site.

3. Responsibility for Subcontractors

The contractor shall be responsible for ensuring adherence to labor standards provisions by its subcontractors. Moreover, the prime contractor is responsible for Labor Code violations of its subcontractors in accordance with Labor Code Section 1775.

4. Payment to Employees

Employees must be paid unconditionally, and not less often than once each week, the full amounts due and payable for the period covered by the particular payday. Thus, an employer must establish a fixed workweek (Sunday through Saturday, for example) and an established payday (such as every Friday or the preceding day should such payday fall on a holiday). On each and every payday each worker must be paid all sums due as of the end of the preceding workweek and must be provided with an itemized wage statement.

If an individual is called a subcontractor, whereas, in fact, he/she is merely a journey level mechanic supplying only his/her labor, such an individual would not be deemed a bona fide subcontractor and must be reported on the payroll of the prime contractor as a trades worker. Moreover, any person who does not hold a valid contractor's license cannot be a subcontractor, and anyone hired by that person is the worker or employee of the general contractor for purposes of prevailing wage requirements, certified payroll reporting and workers' compensation laws.

The worker's rate for straight time hours must equal or exceed the rate specified in the contract by reference to the "Prevailing Wage Determinations" for the class of work actually performed. Any work performed on Saturday, Sunday, and/or on a holiday, or

portion thereof, must be paid the prevailing rate established for those days regardless of the fixed workweek. The hourly rate for hours worked in excess of eight (8) hours in a day and forty (40) hours in a workweek shall be premium pay. All work performed on Saturday, Sunday and holidays shall be paid pursuant to the Prevailing Wage Determination.

B. Apprentices

Apprentices shall be permitted to work as such only when they are registered, individually, under a bona fide apprenticeship program registered and approved by the State Division of Apprenticeship Standards. The allowable ratio of apprentices to journeypersons in any craft/classification shall not be greater than the ratio permitted to the contractor as to its entire workforce under the registered program.

Any worker listed on a payroll at an apprentice wage rate who is not registered shall be paid the journey level wage rate determined by the Department of Industrial Relations for the classification of the work he/she actually performed. Pre-apprentice trainees, trainees in non-apprenticeable crafts, and others who are not duly registered will not be permitted on public works projects unless they are paid full prevailing wage rates as journeypersons.

Compliance with California Labor Code Section 1777.5 requires all public works contractors and subcontractors to:

1. Submit contract award information to the apprenticeship committee for each apprenticeable craft or trade in the area of the project;
2. Request dispatch of apprentices from the applicable apprenticeship program(s) and employ apprentices on public works projects in a ratio to journeypersons which in no case shall be less than one (1) hour of apprentice work to each five (5) hours of journeyperson work; and
3. Contribute to the applicable apprenticeship program(s) or the California Apprenticeship Council in the amount identified in the prevailing wage rate publication for journeypersons and apprentices. If payments are not made to an apprenticeship program, they shall be made to the California Apprenticeship Council, Post Office Box 420603, San Francisco, CA 94142.

If the contractor is registered to train apprentices, the contractor shall furnish written evidence of the registration (i.e., Apprenticeship Agreement or Statement of Registration) of its training program and apprentices, as well as the ratios allowed and the wage rates required to be paid thereunder for the area of construction, prior to using any apprentices in the contract work. It should be noted that a prior approval for a separate project does not confirm approval to train on any project. The contractor/subcontractor must check with the applicable Joint Apprenticeship Committee to verify status.

C. Audit of Certified Payroll Records

Audits shall be conducted by the Labor Compliance Officer and shall also be conducted at the request of the Labor Commissioner to determine whether all tradesworkers on project sites have been paid according to the prevailing wage rates.

The audit record form (presented as Attachment B) demonstrates the sufficient detail that is necessary to verify compliance with Labor Code requirements.

SECTION V
REPORTING OF WILLFUL VIOLATIONS TO THE LABOR COMMISSIONER

If an investigation reveals that a willful violation of the Labor Code has occurred, the Labor Compliance Officer will make a written report to the Labor Commissioner which shall include: (1) an audit consisting of a comparison of payroll records to the best available information as to the actual hours worked, and (2) the classification of workers employed on the public works contract. Six (6) types of willful violations are reported:

A. Failure to Comply with Prevailing Wage Rate Requirements

Failure to comply with prevailing wage rate requirements (as set forth in the Labor Code and City contracts) is determined a willful violation whenever less than the stipulated basic hourly rate is paid to tradesworkers, or if overtime, holiday rates, fringe benefits, and/or employer payments are paid at a rate less than stipulated.

B. Falsification of Payroll Records, Misclassification of Work and/or Failure to Accurately Report Hours of Work

Falsification of payroll records and failure to accurately report hours of work is characterized by deliberate underreporting hours of work; underreporting the headcount; stating that the proper prevailing wage rate was paid when, in fact, it was not; clearly misclassifying the work performed by the worker; and any other deliberate and/or willful act which results in the falsification or inaccurate reporting of payroll records.

C. Failure to Submit Certified Payroll Records

The contractors and subcontractors shall have ten (10) days upon notification by the Labor Compliance Officer in which to comply with the requirement of submittal of weekly records and/or to correct inaccuracies or omissions that have been detected.

D. Failure to Pay Fringe Benefits

Fringe benefits are defined as the amounts stipulated for employer payments or trust fund contributions and are determined to be part of the required prevailing wage rate. Failure to pay or provide fringe benefits and/or make trust fund contributions on a timely basis is equivalent to payment of less than the stipulated wage rate and shall be reported to the Labor Commissioner as a willful violation, upon completion of an investigation and audit.

E. Failure to Pay Correct Apprentice Rates and/or Misclassification of Workers as Apprentices

Failure to pay the correct apprentice rate or classifying a worker as an apprentice when not properly registered is equivalent to payment of less than the stipulated wage rate and shall be reported to the Labor Commissioner as a willful violation upon completion of an investigation and audit.

F. Taking of Kickbacks

Accepting or extracting kickbacks from employee wages under Labor Code Section 1778 constitutes a felony and may be prosecuted by the appropriate enforcement agency.

**SECTION VI
ENFORCEMENT ACTION**

A. Duty of the Awarding Body

The City of San Diego as the awarding body having an approved LCP has a duty to the Director of the Department of Industrial Relations to enforce Labor Code Section 1720 *et seq.* and the procedural regulations of the Department of Industrial Relations in a manner consistent with the practice of DLSE and regulations found at Title 8, California Code Regulations, Section 16000 *et seq.*

B. Withholding Contract Payments When Payroll Records are Delinquent or Inadequate

1. "Withhold" means to cease payments by the awarding body, its agents or others who pay on its behalf to the contractor. Where the violation is by a subcontractor, the contractor shall be notified of the nature of the violation and reference made to its rights under Labor Code Section 1729.

A release bond under Civil Code Section 3196 may not be posted for the release of the funds being withheld for the violation of the prevailing wage law.

2. "Contracts" except as otherwise provided by agreement, means only contracts under a single master contract, or contracts entered into as stages of a single project which may be the subject of withholding, pursuant to Labor Code Sections 1720, 1720.2, 1720.3, 1720.4, 1771, and 1771.5.
3. "Delinquent payroll records" means those not submitted on the basis set forth in the City Contract and the LCP.
4. "Inadequate payroll records" are any one of the following:
 - a. A record lacking the information required by Labor Code Section 1776.
 - b. A record which contains the required information but which is not certified, or certified by someone not an agent of the contractor or subcontractor.

- c. A record remaining uncorrected for one payroll period after the awarding body has given the contractor notice of inaccuracies detected by audit or record review, provided, however, that prompt correction will stop any duty to withhold if such inaccuracies do not amount to one-percent (1%) of the entire certified weekly payroll in dollar value and does not affect more than half the persons listed as workers employed on that certified weekly payroll, as defined in Labor Code Section 1776 and Title 8 CCR Section 16401. Prompt correction will stop any duty to withhold if such inaccuracies are *de minimus*.

Pursuant to Labor Code Section 1776, the contractor shall, as a penalty to the City, forfeit twenty-five dollars (\$25) for each calendar day, or portion thereof, for each worker, until strict compliance is effectuated.

C. Withholding for Violation for Not Paying the Per Diem Prevailing Wages

1. "Amount equal to the underpayment" is the total of the following determined by payroll review, audit, or admission of the contractor or subcontractor.
 - a. The difference between the amounts paid to workers and the correct General Prevailing Wage Rate of Per Diem Wages as defined in Title 8, CCR Section 16000, *et seq.*
 - b. The difference between the amounts paid to workers and the correct amounts of employer payments, as defined in Title 8 CCR Section 16000 *et seq.* and determined to be part of the prevailing rate costs of contractors due for employment of workers in such craft, classification or trade in which they were employed and the amounts paid.
 - c. Estimated amounts of "illegal taking of wages."
 - d. Amounts of apprenticeship training contributions paid to neither the program sponsor's training trust nor the California Apprenticeship Council.
2. Provisions relating to the penalties under Labor Code Sections 1775 and 1813:
 - a. Pursuant to Labor Code Section 1775, the contractor shall, as a penalty to the City, forfeit up to fifty dollars (\$50) for each calendar day, or portion thereof, for each worker paid less than the prevailing wages.
 - b. Pursuant to Labor Code Section 1813, the contractor shall, as a penalty to the City on whose behalf the contract is awarded, forfeit twenty-five dollars (\$25) for each worker employed in the execution of the contract by the contractor or by any subcontractor for each calendar day during which such worker is required or permitted to work more than eight (8) hours in any one calendar day and forty (40) hours in any one calendar week.

D. Forfeitures Requiring Approval by the Labor Commissioner

1. “Forfeitures” are the amounts of unpaid penalties and wages assessed by the City for violations of the prevailing wage laws, whether collected by withholding from the contract amount, by suit under the contract or both.
2. “Failing to pay the correct rate of prevailing wages” means those public works violations which the Labor Commissioner has exclusive authority to approve before they are recoverable by the Labor Compliance Program and which are appealable by the contractor before the Director of the Department of Industrial Relations under Labor Code Sections 1742 and 1742.1 pursuant to the California Code of Regulations Title 8, Chapter 8, Subchapter 8 (§§ 17201 through 17270).

Regardless of what is defined as “prevailing wages” in contract terms, noncompliance with the following are considered failures to pay prevailing wages:

- a. Nonpayment of items defined as “Employer Payments” and “General Prevailing Rate of Per Diem Wages” in Title 8 CCR Section 16000 and Labor Code Section 1771.
- b. Failure to provide complete and accurate payroll records, as required by Labor Code Section 1776.
- c. Paying apprentice wages lower than the journey level rate to a worker who is not an apprentice as defined in Labor Code Section 3077, working under an apprentice agreement in a recognized program.
- d. Accepting or extracting kickbacks, in violation of Labor Code Section 1778.
- e. Engaging in prohibited actions related to fees for registration as a public works employee, in violation of Labor Code Section 1779.
- f. Failure to pay overtime for work over eight (8) hours in any one day or forty (40) hours in any one week, in violation of Labor Code Sections 1813, 1815, or Title 8 CCR Section 16200(a)(3)(F).

E. Determination of Amount of Forfeiture by the Labor Commissioner

1. Where the Labor Compliance Officer requests a determination of the amount of forfeiture, the request shall include a file or report to the Labor Commissioner which contains at least the following information:
 - a. The date that the public work was accepted and the date that a notice of completion was filed.
 - b. Any other deadline which, if missed, would impede collection.
 - c. Evidence of violation in narrative form.

- d. Evidence that an “audit” or “investigation” occurred in compliance with Title 8 CCR Section 16432.
 - e. Evidence that the contractor was given the opportunity to explain why it believes there was no violation, or that any violation was caused by mistake, inadvertence, or neglect before the forfeiture was sent to the Labor Commissioner, and the contractor either did not do so or failed to convince the awarding body of its position.
 - f. Where the City seeks not only amounts of wages but also a penalty as part of the forfeiture and the contractor has unsuccessfully contended that the cause of violation was a mistake, inadvertence or neglect, a statement should accompany the proposal for a forfeiture with a recommended penalty amount, pursuant to Labor Code Section 1775.
 - g. Where the City seeks only wages or a penalty less than fifty dollars (\$50) per day as part of the forfeiture and the contractor has successfully contended that the cause of violation was a mistake, inadvertence or neglect, then the file should include the evidence as to the contractor’s knowledge of its obligation, including the LCP’s communication to the contractor of the obligation in the bid invitations, in the pre-construction conference agenda and records, and any other notice given as part of the contracting process. Included with the file should be a statement similar to that described in subsection (f) above and recommended penalty amounts, pursuant to Labor Code Section 1775.
 - h. The previous record of the contractor in meeting prevailing wage obligations.
- 2. The file or report shall be served on the Labor Commissioner not less than thirty (30) days before the final payment or, if that deadline has passed, not less than one hundred eighty (180) days following the filing of the notice of completion as long as funds remain in the contract.
 - 3. A copy of the file or report shall be served on the contractor at the same time it is sent to the Labor Commissioner.

The City may exclude from the documents served on the contractor/subcontractor or surety copies of documents secured from these parties during an audit, investigation or meeting if those documents are clearly referenced in the file or report.

- 4. The Labor Commissioner shall affirm, reject or modify the forfeiture in whole or in part as to penalty and/or wages due.
- 5. The determination of the forfeiture by the Labor Commissioner is effective on the following date for Labor Compliance Programs having initial approval pursuant to Section 16426 of the California Code of Regulations: On the date the Labor Commissioner serves by first class mail on the City and on the contractor, an endorsed copy of the proposed forfeiture, or a drafted forfeiture statement which sets out the

amount of forfeiture approved. Service on the contractor is effective if made on the last address supplied by the contractor in the record.

The Labor Commissioner's approval, modification or disapproval of the proposed forfeiture shall be served within thirty (30) days of receipt of the proposed forfeiture.

F. Deposits of Penalties and Forfeitures Withheld

1. Where the involvement of the Labor Commissioner has been limited to a determination of the actual amount of penalty, forfeiture, or underpayment of wages, and the matter has been resolved without litigation by or against the Labor Commissioner, the City shall deposit penalties and forfeitures into its General Fund.
2. Where collection of fines, penalties or forfeitures results from court action to which the Labor Commissioner and the City are both parties, the fines, penalties or forfeitures shall be divided between the General Funds of the State and City, as the court may decide.
3. All amounts recovered by suit brought by the Labor Commissioner, and to which the City is not a party, shall be deposited in the General Fund of the State of California.
4. All wages and benefits which belong to a worker and are withheld or collected from a contractor or subcontractor, either by withholding or as a result of court action pursuant to Labor Code Section 1775, and which have not been paid to the worker or irrevocably committed on the worker's behalf to a benefits fund, shall be deposited with the Labor Commissioner, who will deal with such wages and benefits in accordance with Labor Code Section 96.7.

G. Debarment Policy

It is the policy of the City that the public works prevailing wage requirements set forth in the California Labor Code, Section 1720-1861, be strictly enforced. In furtherance thereof, construction contractors and subcontractors found to be repeat violators of the California Labor Code shall be referred to the Labor Commissioner for debarment from bidding on or otherwise being awarded any public work contract, within the State of California, for the performance of construction and/or maintenance services for the period not to exceed three (3) years in duration. The duration of the debarment period shall depend upon the nature and severity of the labor code violations and any mitigating and/or aggravating factors, which may be presented at the hearing conducted by the Labor Commissioner for such purpose.

**SECTION VII
NOTICE OF WITHHOLDING AND REVIEW THEREOF**

A. Notice of Withholding of Contract Payments

After determination of the amount of forfeiture by the Labor Commissioner, the City shall provide notice of withholding of contract payments to the contractor and subcontractor, if applicable. The notice shall be in writing and shall describe the nature of the violation and the amount of wages, penalties and forfeitures withheld. Service of the notice shall be

completed pursuant to Section 1013 of the Code of Civil Procedure by first-class and certified mail to the contractor and subcontractor, if applicable. The notice shall advise the contractor and subcontractor, if applicable, of the procedure for obtaining review of the withholding of contract payments. The awarding body shall also serve a copy of the notice by certified mail to any bonding company issuing a bond that secures the payment of wages covered by the notice and to any surety on a bond, if their identities are known to the awarding body. A copy of the Notice of Withholding of Contract Payments (NWCP) to be utilized by the City is found as Attachment D to this document.

B. Review of NWCP

1. An affected contractor or subcontractor may obtain review of a NWCP under this chapter by transmitting a written request to the office of the LCP that appears on the NCWP within sixty (60) days after service of the NWCP. If no hearing is requested within sixty (60) days after service of the NWCP, the NWCP shall become final.
2. Within ten (10) days following the receipt of the request for review, the LCP shall transmit to the Office of the Director-Legal Unit the request for review and copies of the Notice of Withholding of Contract Payments, any audit summary that accompanied the notice, and a proof of service or other documents showing the name and address of any bonding company or surety that secures the payment of the wages covered by the notice. A copy of the required Notice of Transmittal to be utilized by the City is found as Attachment E to this document.
3. Upon receipt of a timely request, a hearing shall be commenced within ninety (90) days before the director, who shall appoint an impartial hearing officer possessing the qualifications of an Administrative Law judge pursuant to subdivision (b) of Section 11502 of the Government Code. The appointed hearing officer shall be an employee of the department, but shall not be an employee of the Division of Labor Standards Enforcement. The contractor or subcontractor shall be provided an opportunity to review evidence to be utilized by the LCP at the hearing within twenty (20) days of the receipt of the written request for a hearing. Any evidence obtained by the LCP subsequent to the 20-day cutoff shall be promptly disclosed to the contractor or subcontractor. A copy of a Notice of Opportunity to Review Evidence Pursuant to Labor Code Section 1742(b) form is found as Attachment F to this document.

The contractor or subcontractor shall have the burden of proving that the basis for the NWCP is incorrect. The NWCP shall be sufficiently detailed to provide fair notice to the contractor or subcontractor of the issues at the hearing.

Within forty-five (45) days of the conclusion of the hearing, the director shall issue a written decision affirming, modifying or dismissing the assessment. The decision of the director shall consist of a notice of findings and an order. This decision shall be served on all parties pursuant to Section 1013 of the Code of Civil Procedure by first-class mail at the last known address of the party on file with the LCP. Within fifteen (15) days of the issuance of the decision, the director may reconsider or modify the decision to correct an error, except that a clerical error may be corrected at any time.

The director has adopted regulations setting forth procedures for hearings under this subdivision. The regulations are found as Attachment G to this document.

4. An affected contractor or subcontractor may obtain review of the decision of the director by filing a petition for a writ of mandate to the appropriate Superior Court pursuant to Section 1094.5 of the Code of Civil Procedure within forty-five (45) days after service of the decision. If no petition for writ of mandate is filed within forty-five (45) days after service of the decision, the order shall become final. If it is claimed in a petition for writ of mandate that the findings are not supported by the evidence, abuse of discretion is established if the court determines that the findings are not supported by substantial evidence in the light of the whole record.
5. A certified copy of a final order may be filed by the Labor Commissioner in the Office of the Clerk of the Superior Court in any county in which the affected contractor or subcontractor has property or has or had a place of business. The Clerk, immediately upon the filing, shall enter judgment for the state against the person assessed in the amount shown on the certified order.
6. A judgment entered pursuant to this procedure shall bear the same rate of interest and shall have the same effect as other judgments and shall be given the same preference allowed by law on other judgments rendered for claims for taxes. The Clerk shall not charge for the service performed by him or her pursuant to this section.
7. This procedure shall provide the exclusive method for review of a NWCP by the City to withhold contract payments pursuant to Section 1771.7.

SECTION VIII DISTRIBUTION OF FORFEITED SUMS

Before making payments to the contractor of money due under a contract for public work, the City shall withhold and retain therefrom all amounts required to satisfy the NWCP. The amounts required to satisfy the NWCP shall not be disbursed by the City until receipt of a final order that is no longer subject to judicial review.

Pending a final order or the expiration of the time period for seeking review of the notice of the withholding, the City shall not disburse any contract payments withheld.

From the amount recovered, the wage claim shall be satisfied prior to the amount being applied to penalties. If insufficient money is recovered to pay each worker in full, the money shall be prorated among all workers employed on the public works project who are paid less than the prevailing wage rate shall have priority over all Stop Notices filed against the prime contractor.

Wages for workers who cannot be located shall be placed in the Industrial Relations Unpaid Fund and held in trust for the workers pursuant to Section 96.7. Penalties shall be paid into the General Fund of the City that has enforced this chapter pursuant to Section 1771.7.

SECTION IX OUTREACH ACTIVITIES

other Party or other interested Person, without notice and the opportunity for all Parties to participate in the communication.

(b) A communication made on the record in the hearing is permissible.

(c) A communication concerning a matter of procedure or practice is presumed to be permissible, unless the topic of the communication appears to the Hearing Officer to be controversial in the context of the specific case. If so, the Hearing Officer shall so inform the other participant and may terminate the communication or continue it until after giving all Parties notice and an opportunity to participate. Any written communication concerning a matter of procedure or practice, and any written response, or a written memorandum identifying the participants and stating the substance of any such oral communication or response, shall be added to the case file so that all Parties have a reasonable opportunity to review it. Unless otherwise provided by statute or these Rules, the appointed Hearing Officer may determine a matter of procedure or practice based upon a permissible ex-parte communication. The term "matters of procedure or practice" shall be liberally construed.

(d) A communication from the Labor Commissioner to the Hearing Officer or the Director which is deemed permissible under Government Code section 11430.30 is permitted only if any such written communication and any written response, or a written memorandum identifying the participants and stating the substance of any such oral communication or response, is added to the case file so that all Parties have a reasonable opportunity to review it.

(e) If the Hearing Officer or the Director receives a communication in violation of this Rule, he or she shall comply with the requirements of Government Code section 11430.50.

(f) To the extent not inconsistent with Labor Code section 1742, the provisions of Article 7 of Chapter 4.5 of Title 2, Division 3, Part 1 (commencing with section 11430.10) of the Government Code governing ex parte communications in administrative adjudication proceedings shall apply to review proceedings conducted under these Rules.

(g) This Rule shall not be construed as prohibiting communications between the Director and the Labor Commissioner or between the

Director and any other interested Person on issues or policies of general interest that coincide with issues involved in a pending review proceeding; *provided that* (1) the communication does not directly or indirectly seek to influence the outcome of any pending proceeding; (2) the communication does not directly or indirectly identify or otherwise refer to any pending proceeding; and (3) the communication does not occur at a time when the Director or the other party to the communication knows that a proceeding in which the other party to the communication is interested is under active consideration by the Director.

17208. Intervention and Participation by other Interested Persons.

(a) The Labor Commissioner may intervene as a matter of right in any review from a Notice of Withholding of Contract Payments, either as the Representative of the Awarding Body or as an interested third Party.

(b) A bonding company and any Surety on a bond that secures the payment of wages covered by the Assessment or Notice of Withholding of Contract Payments shall be permitted to intervene as a matter of right in any pending review filed by the contractor or subcontractor from the Assessment or Withholding of Contract Payments in question; *provided that*, intervention is sought at or before the first prehearing conference held pursuant to Rule 31 [Section 17231] below and within either 30 days after the bonding company or Surety was served with a copy of the Assessment or Notice of Withholding of Contract Payments or 30 days after the filing of the Request for Review, whichever is later. Thereafter, any request to intervene by such a bonding company or Surety shall be treated as a motion for permissive participation under subpart (e) of this Rule. A bonding company or Surety shall have the burden of proof with respect to any claim that it did not receive notice of the Assessment or Notice of Withholding of Contract Payments until after the filing of the Request for Review.

(c) The employee(s), labor union, or Joint Labor-Management Committee who filed the formal complaint which led the Enforcing Agency to

issue the Assessment or Notice of Withholding of Contract payments shall be permitted to intervene in a pending review filed by the contractor or subcontractor from the Assessment or Withholding of Contract Payments in question; *provided that*, intervention is sought at or before the first prehearing conference held pursuant to Rule 31 [Section 17231] below and there is no good cause to deny the request. Thereafter, any request to intervene by such employee(s), labor union, or Joint Labor-Management Committee shall be treated as a motion for permissive participation as an interested Person under subpart (d) of this Rule.

(d) Any other Person may move to participate as an interested Person in a proceeding in which that Person claims a substantial interest in the issues or underlying controversy and in which that Person's participation is likely to assist and not hinder or protract the hearing and determination of the case by the Hearing Officer and the Director. Interested Persons who are permitted to participate under this Rule shall *not* be regarded as Parties to the proceeding for any purpose, but may be provided notices and the opportunity to present arguments under such terms as the Hearing Officer deems appropriate.

(e) Rights to intervene or participate as an interested party are only in accordance with this Rule. Intervention or permissive participation under this Rule shall not expand the scope of issues under review nor shall it extend any rights or interests which have been forfeited as a result of an Affected Contractor or Subcontractor's own failure to file a timely Request for Review. The Hearing Officer may impose conditions on an intervenor's or other interested Person's participation in the proceeding, including but not limited to those conditions specified in Government Code §11440.50(c).

(f) No Person shall be required to seek intervention in a review proceeding as a condition for pursuing any other remedy available to that Person for the enforcement of the prevailing wage requirements of Division 2, Part 7, Chapter 1 (starting with section 1720) of the Labor Code.

NOTE: Authority cited: sections 55, 59, 1742(b), and 1773.5, Labor Code. Reference: section 11440.50(c), Government Code; and sections 1720 *et seq.*, 1741, 1742, and 1771.6, Labor Code.

17209. Representation at Hearing.

(a) A Party may appear in person or through an authorized Representative, who need not be an attorney at law; *however*, a Party shall use the form Authorization for Representation by Non-Attorney [8 CCR 17209(b) (New 1/15/02)] to authorize representation by any non-attorney who is not an owner, officer, or managing agent of that Party.

(b) Upon formal notification that a Party is being represented by a particular individual or firm, service of subsequent notices in the matter shall be made on the Representative, either in addition to or instead of the Party, unless and until such authorization is terminated or withdrawn by further written notice. Service upon an authorized Representative shall be effective for all purposes and shall control the determination of any notice period or the running of any time limit for the performance of any acts, regardless of whether or when such notice may also have been served directly on the represented Party.

(c) An authorized Representative shall be deemed to control all matters respecting the interests of the represented Party in the proceedings.

(d) Parties and their Representatives shall have a continuing duty to keep the appointed Hearing Officer and all other Parties to the proceeding informed of their current address and telephone number.

NOTE: Authority cited: sections 55, 59, 1742(b), and 1773.5, Labor Code. Reference: section 1742(b), Labor Code.

S. Postal Service; (3) any other means authorized under Code of Civil Procedure section 1013; or (4) if authorized by the Hearing Officer pursuant to Rule 11 [Section 17211] below, by facsimile or other electronic means.

(b) Service is complete at the time of personal delivery or mailing, or at the time of transmission as determined under Rule 11 [Section 17211] below.

(c) Proof of service shall be filed with the document and may be made by: (1) affidavit or declaration of service; (2) written statement endorsed upon the document served and signed by

the party making the statement; or (3) copy of letter of transmittal.

(d) Service on a Party who has appeared through an attorney or other Representative shall be made upon such attorney or Representative.

(e) In each proceeding, the Hearing Officer shall maintain an official address record which shall contain the names and addresses of all Parties and their Representatives, agents, or attorneys of record. Any change or substitution in such information must be communicated promptly in writing to the Hearing Officer. The official address record may also include the names and addresses of interested Persons who have been permitted to participate under Rule 08(d) [Section 17208].

17211. Filing and Service of Documents by Facsimile or Other Electronic Means.

(a) In individual cases the Hearing Officer may authorize the filing and service of documents by facsimile or by other electronic means, subject to reasonable restrictions on the time of transmission and the page length of any document or group of documents that may be transmitted by facsimile or other electronic means, and subject to any further requirements on the use of cover sheets or the subsequent filing and service of originals or hard copies of documents as the Hearing Officer deems appropriate. Filing and service by facsimile or other electronic means shall not be authorized under terms that substantially disadvantage any Party appearing or participating in the proceeding as a matter of right. A document transmitted by facsimile or other electronic means shall not be considered received until the next Working Day following transmission unless it is transmitted on a Working Day and the entire transmission is completed by no later than 4:00 p.m. Pacific Time.

(b) Filings and service by facsimile or other electronic means shall not be authorized or accepted as a substitute for another method of service that is required by statute or these Rules, unless the Party served has expressly waived its right to be served in the required manner.

(a) The provisions of the Administrative Adjudication Bill of Rights found in Article 6 of Chapter 4.5 of Title 2, Division 3, Part 1 (commencing with section 11425.10) of the Government Code shall apply to these review proceedings to the extent not inconsistent with a state or federal statute, a federal regulation, or a court decision which applies specifically to the Department. The enumeration of certain rights in these Rules may expand but shall not be construed as limiting the same or similar provision of the Administrative Adjudication Bill of Rights; nor shall the enumeration of certain rights in these Rules be construed as negating other statutory rights not stated.

(b) Ex parte communications shall be permitted between the appointed Hearing Officer and the Director in accordance with Government Code section 11430.80(b).

(c) The presentation or submission of any written communication by a Party or other interested Person during the course of a review proceeding shall be governed by the requirements of Government Code §11440.60 (b) and (c).

(d) Unless otherwise indicated by express reference within the body of one of these Rules, the provisions of Chapter 5 of Title 2, Division 3, Part 1 (commencing with section 11500) of the Government Code shall *not* apply to these review proceedings.

17220. Service and Contents of Assessment or Notice of Withholding of Contract Payments.

(a) An Assessment, a Notice of Withholding of Contract Payments, or a notice assessing penalties under Labor Code section 1776 shall be served on the contractor and subcontractor, if applicable, by first class and certified mail pursuant to the requirements of Code of Civil Procedure section 1013. A copy of the notice shall also be served by

certified mail on any bonding company issuing a bond that secures the payment of the wages covered by the Assessment or Notice and to any Surety on a bond, if the identities of such companies are known or reasonably ascertainable. The identity of any Surety issuing a bond for the benefit of an Awarding Body as designated obligee, shall be deemed “known or reasonably ascertainable,” and the Surety shall be deemed to have received the notice required under this subpart if sent to the address appearing on the face of the bond.

(b) An Assessment or Notice of Withholding of Contract Payments shall be in writing and shall include the following information:

(1) a description of the nature of the violation and basis for the Assessment or Notice; and

(2) the amount of wages, penalties, and forfeitures due, including a specification of amounts that have been or will be withheld from available contract payments, as well as all additional amounts that the Enforcing Agency has determined are due, including the amount of any liquidated damages that potentially may be awarded under Labor Code section 1742.1.

(c) An Assessment or Notice of Withholding of Contract Payments shall also include the following information:

(1) the name and address of the office to whom a Request for Review may be sent;

(2) information on the procedures for obtaining review of the Assessment or Withholding of Contract Payments;

(3) notice of the Opportunity to Request a Settlement Meeting under Rule 21 [Section 17221] below; and

(4) the following statement which shall appear in bold or another type face that makes it stand out from the other text:

Failure by a contractor or subcontractor to submit a timely Request for Review will result in a final order which shall be binding on the contractor and subcontractor, and which shall also be binding, with respect to the amount due, on a bonding company issuing a bond that secures the payment of wages and a surety on a bond. (a) The Affected Contractor or Subcontractor may, within 30 days following the service of an Assessment or Notice of Withholding of Contract Payments, request a meeting with the Enforcing Agency for the purpose of attempting to settle the dispute regarding the Assessment or Notice.

(b) Upon receipt of a timely written request for a settlement meeting, the Enforcing Agency shall afford the Affected Contractor or Subcontractor a reasonable opportunity to meet for such purpose. The settlement meeting may be held in person or by telephone and shall take place before expiration of the 60-day limit for filing a Request for Review under Rule 22 [Section 17222].

(c) Nothing herein shall preclude the Parties from meeting or attempting to settle a dispute after expiration of the time for making a request or after the filing of a Request for Review.

(d) Neither the making or pendency of a request for a settlement meeting, nor the fact that the Parties have met or have failed or refused to meet as required by this Rule shall serve to extend the time for filing a Request for Review under Rule 22 [Section 17222] below.

(e) No evidence of anything said or any admission made for the purpose of, in the course of, or pursuant to, such a settlement meeting shall be admissible or subject to discovery in any administrative or civil proceeding. No writing prepared for the purpose of, in the course of, or pursuant to, such a settlement meeting, other than a final settlement agreement, shall be admissible or subject to discovery in any administrative or civil proceeding.

17222. Filing of Request for Review.

(a) Any Request for Review of an Assessment or of a Notice of Withholding of Contract Wages shall be transmitted in writing to the Enforcing Agency within 60 days after service of the Assessment or Notice. Failure to request review within 60 days shall result in the Assessment or the Withholding of Contract Wages becoming final and not subject to further review under these Rules.

(b) A Request for Review shall be transmitted to the office of the Enforcing Agency designated on

the Assessment or Notice of Withholding of Contract Payments from which review is sought.

(c) A Request for Review shall be deemed filed on the date of mailing, as determined by the U.S. Postal Service postmark date on the envelope or the overnight carrier's receipt in accordance with Rule 03(b) [Section 17203(b)] above, or on the date of receipt by the designated office of the Enforcing Agency, whichever is earlier.

(d) An additional courtesy copy of the Request for Review may be served on the Department by mailing to the address specified in Rule 23 [Section 17223] below at any time on or after the filing of the Request for Review with the Enforcing Agency. The service of a courtesy copy on the Department shall *not* be effective for invoking the Director's review authority under Labor Code section 1742; however, it may determine the time within which the hearing shall be commenced under Rule 41(a) [Section 17241(a)] below.

(e) A Request for Review either shall clearly identify the Assessment or Notice from which review is sought, including the date of the Assessment or Notice, or it shall include a copy of the Assessment or Notice as an attachment. A Request for Review shall also set forth the basis upon which the Assessment or Notice is being contested. A Request for Review shall be liberally construed in favor of its sufficiency; however, the Hearing Officer may require the Party seeking review to provide a further specification of the issues or claims being contested and a specification of the basis for contesting those matters.

17224. Disclosure of Evidence.

(a) Within ten (10) days following its receipt of a Request for Review, the Enforcing Agency shall also notify the Affected Contractor or Subcontractor of its opportunity and the procedures for reviewing evidence to be utilized by the Enforcing Agency at the hearing on the Request for Review.

(b) An Enforcing Agency shall be deemed to have provided the opportunity to review evidence required by this Rule if it (1) gives the Affected Contractor or Subcontractor the option, at the Affected Contractor or Subcontractor's own expense, to either (A) obtain copies of all such evidence through a commercial copying service or (B) inspect and copy such evidence at the office of the Enforcing Agency during normal business hours; or if (2) the Enforcing Agency at its own expense forwards copies of all such evidence to the Affected Contractor or Subcontractor.

(c) The evidence required to be provided under this Rule shall include the identity of witnesses whose testimony the Enforcing Agency intends to present, either in person at the hearing or by declaration or affidavit. This provision shall not be construed as requiring the Enforcing Agency to prepare or provide any separate listing of witnesses whose identities are disclosed within the written materials made available under subpart (a).

(d) The Enforcing Agency shall make evidence available for review as specified in subparts (a) through (c) within 20 days of its receipt of the Request for Review; *provided that*, this deadline may be extended by written request or agreement of the Affected Contractor or Subcontractor. The Enforcing Agency's failure to make evidence available for review as required by Labor Code section 1742(b) and this Rule, shall preclude the Enforcing Agency from introducing such

evidence in proceedings before the Hearing Officer or the Director.

(e) This Rule shall not preclude the Enforcing Agency from relying upon or presenting any evidence first obtained after the initial disclosure of evidence under subparts (a) through (d), *provided that*, such evidence is promptly disclosed to the Affected Contractor or Subcontractor. This Rule also shall not preclude the Enforcing Agency from presenting previously undisclosed evidence to rebut new or collateral claims raised by another Party in the proceeding.

(a) An Affected Contractor or Subcontractor may withdraw a Request for Review by written notification at any time before a decision is issued or by oral motion on the hearing record. The Hearing Officer may grant such withdrawal by letter, order or decision served on the Parties.

(b) For good cause, a Request for Review so dismissed may be reinstated by the Hearing Officer or the Director upon a showing that the withdrawal resulted from misinformation given by the Enforcing Agency or otherwise from fraud or coercion. A motion for reinstatement must be filed within 60 days of service of the letter, order or decision granting withdrawal of the Request for Review or, in the event of fraud which could not have been suspected or discovered with the exercise of reasonable diligence, within 60 days of discovery of such fraud. The motion shall be accompanied by a declaration containing a statement that any facts therein are based upon the personal knowledge of the declarant.

(c) Notwithstanding any application or showing made under subpart (b) of this Rule, neither the Hearing Officer nor the Director may reinstate any Request for Review where the underlying Assessment or Withholding of Contract Payments has become final and entered as a court judgment.

17226. Dismissal or Amendment of Assessment or of Notice of Withholding of Contract Payments.

(a) Upon motion to the appointed Hearing Officer, an Enforcing Agency may dismiss or amend an Assessment or Notice of Withholding of Contract Payments as follows:

(1) An Assessment or Notice of Withholding may be dismissed or amended to eliminate or reduce all or part of any claim for wages, damages, or penalties that has been satisfied or that is not warranted under the facts and circumstances of the case or to conform to an order of the Hearing Officer or the Director.

(2) An Assessment or Notice of Withholding may be amended to eliminate a claim for penalties as to the affected contractor upon a determination that the affected contractor is not liable for same under either Labor Code section 1775(b) [subcontractor's failure to pay prevailing rate] or Labor Code section 1776 (g) [failure to comply with request for certified payroll records].

(3) For good cause, an Assessment or Notice of Withholding of Contract Payments may be amended to revise or increase any claim for wages, damages, or penalties based upon a recomputation or the discovery of new evidence subsequent to the issuance of the original Assessment or Notice.

(b) The Hearing Officer shall grant any motion to dismiss or amend an Assessment or Notice of Withholding downward under subparts (a)(1) or (a)(2) absent a showing that such dismissal or amendment will result in the forfeiture of substantial substantive rights of another Party to the proceeding. The Hearing Officer may grant a motion to amend an Assessment or Notice of Withholding upward under subpart (a)(3) under such terms as are just, including where appropriate the extension of an additional opportunity for early settlement under Rule 21[Section 17221]. Unless the Hearing Officer determines otherwise, an amended Assessment or Notice of Withholding shall be deemed fully controverted without need for filing an additional or amended Request for Review.

17227. Early Disposition of Untimely Assessment, Withholding, or Request for Review.

(a) Upon the application of any Party or upon his or her own motion, the appointed Hearing Officer

may issue an Order to Show Cause why an Assessment, a Withholding of Contract Payments, or a Request for Review should not be dismissed as untimely under the relevant statute.

(b) An Order to Show Cause issued under subpart (a) of this Rule shall be served on all Parties who have appeared or been served with any prior notice in the matter and shall provide the Parties with at least 10 days to respond in writing to the Order to Show Cause and an additional 5 days following the service of such responses to reply to any submission by any other Party. Evidence submitted in support or opposition to an Order to Show Cause shall be by affidavit or declaration under penalty of perjury. There shall be no oral hearing on an Order to Show Cause issued under this Rule unless requested by a Party or by the Hearing Officer.

(c) After the time for submitting responses and replies to the Order to Show Cause has passed or after the oral hearing, if any, the Hearing Officer may do one of the following: (1) recommend that the Director issue a decision setting aside the Assessment or Withholding of Contract Payments or dismissing the Request for Review as untimely under the statute; (2) find the Assessment, Withholding, or Request for Review timely and direct that the matter proceed to hearing on the merits; or (3) reserve the timeliness issue for further consideration and determination in connection with the hearing on the merits.

(d) A decision by the Director which sets aside an Assessment or Withholding of Contract Payments or which dismisses a Request for Review as untimely shall be subject to reconsideration and to judicial review in the same manner as any other Final Order or Decision of the Director. A determination by the Hearing Officer that the Assessment, Withholding, or Request for Review was timely or that the timeliness issue should be reserved for further consideration and determination in connection with the hearing on the merits shall *not* be subject to appeal or review except as part of any reconsideration or appeal from the Decision of the Director made after the hearing on the merits.

17228. Finality of Assessment or of Withholding of Contract Payments When No

Timely Request for Review is Filed; Authority of Awarding Body to Disburse Withheld Funds.

(a) Upon the failure of an Affected Contractor or Subcontractor to file a timely Request for Review under Labor Code section 1742(a) and Rule 22(a) [Section 17222(a)] above, the Assessment or Notice of Withholding of Contract Payments shall become a “final order” as to the Affected Contractor or Subcontractor that the Labor Commissioner may certify and file with the superior court in accordance with Labor Code section 1742(d).

(b) Where an Assessment or Notice of Withholding of Contract Payments has become final as to at least one but not as to every Affected Contractor or Subcontractor, the Awarding Body shall continue to withhold and retain the amounts required to satisfy any wages and penalties at stake in a review proceeding initiated by any other Affected Contractor or Subcontractor until there is a final order in that proceeding that is no longer subject to judicial review.

NOTE: Authority cited: sections 55, 59, 1742(b), and 1773.5, Labor Code. Reference: sections 1727, 1742, and 1771.6, Labor Code.

17229. Finality of Notice of Withholding of Contract Payments; Authority of Awarding Body to Recover Additional Funds.

Where a Notice of Withholding of Contract Payments seeks to recover wages, penalties, or damages in excess of the amounts withheld from available contract payments (*see* Rule 20(b)(2) [Section 17220(b)(2)] above), an Awarding Body may recover any excess amounts that become or remain due when the Notice of Withholding of Contract Payments has become final under Labor Code section 1771.6. To recover the excess amounts, the Awarding Body shall transmit to the Labor Commissioner the Notice together with any decision of the Director or court that has become final and not subject to further review. The Labor Commissioner in turn shall certify and file the final order with the superior court in accordance with Labor Code section 1742(d).

ARTICLE 3. PREHEARING PROCEDURES

17230. Scheduling of Hearing; Continuances and Tolling.

(a) The appointed Hearing Officer shall establish the place and time of the hearing on the merits, giving due consideration to the needs of all Parties and the statutory time limits for hearing and deciding the matter. Parties are encouraged to communicate scheduling needs to the Hearing Officer and all other Parties at the earliest opportunity. It shall not be a violation of Rule 07 [Section 17207]’s prohibition on *ex parte* communications for the Hearing Officer or his or her designee to communicate with Parties individually for purposes of clearing dates and times and proposing locations for the hearing. The Hearing Officer may also conduct a prehearing conference by telephone or any other expeditious means for purposes of establishing the time and place of the hearing.

(b) Once a hearing date is set, a request for a continuance that is not joined in by all other Parties or that is for more than 30 days will not be granted absent a showing of extraordinary circumstances, giving due regard to the potential prejudice to other Parties in the case and other Persons affected by the matter under review. Absent an enforceable waiver (*see* subpart (d) below), no continuance will be granted nor any proceeding otherwise delayed if doing so is likely to prevent the Hearing Officer from commencing the hearing on the matter within the statutory time limit.

(c) A request for a continuance that is for 30 days or less and is joined by all Parties shall be granted upon a showing of good cause. Notwithstanding subpart (b) above, a unilateral request for a continuance made by the Party who filed the Request for Review shall be granted upon a showing of good cause if the new date for commencing the hearing is no more than 150 days after the date of service of the Assessment or Notice of Withholding of Contract Payments.

(d) If a Party makes or joins in any request that would delay or otherwise extend the time for hearing or deciding a review proceeding beyond any prescribed time limit, such request shall also be deemed a waiver by that Party of that time limit.

(e) The time limits for hearing and deciding a review proceeding shall also be deemed tolled (1) when proceedings are suspended to seek judicial enforcement of a subpoena or other order to compel the attendance, testimony, or production

of evidence by a necessary witness; (2) when the proceedings are stayed or enjoined by any court order; (3) between the time that a proceeding is dismissed and then ordered reinstated under Rule 25 [Section 17225] above; (4) upon the order of a court reinstating or requiring rehearing of the merits of a proceeding; or (5) during the pendency of any other cause beyond the Director's direct control (including but not limited to natural disasters, temporary unavailability of a suitable hearing facility, or absence of budget authority) that prevents the Director or any appointed Hearing Officer from carrying out his or her responsibilities under these Rules.

NOTE: Authority cited: sections 55, 59, 1742(b), and 1773.5, Labor Code. Reference: section 1742(b), Labor Code.

17231. Prehearing Conference.

(a) Upon the application of any Party or upon his or her own motion, the appointed Hearing Officer may conduct a prehearing conference for any purpose that may expedite or assist the preparation of the matter for hearing or the disposition of the Request for Review. The prehearing conference may be conducted by telephone or other means that is convenient to the Hearing Officer and the Parties.

(b) The Hearing Officer shall provide reasonable advance notice of any prehearing conference conducted pursuant to this Rule. The Notice shall advise the Parties of the matters which the Hearing Officer intends to cover in the prehearing conference, but the failure of the Notice to enumerate some matter shall not preclude its discussion or consideration at the conference.

(c) With or without a prehearing conference, the Hearing Officer may issue such procedural Orders as are appropriate for the submission of evidence or briefs and conduct of the hearing, consistent with the substantial rights of the affected Parties.

NOTE: Authority cited: sections 55, 59, 1742(b), and 1773.5, Labor Code. Reference: section 11511.5, Government Code, and section 1742(b), Labor Code.

17232. Consolidation and Severance.

(a) The Hearing Officer may consolidate for hearing and decision any number of proceedings where the facts and circumstances are similar and consolidation will result in conservation of time and expense. Where the Hearing Officer proposes to consolidate proceedings on his or her own

motion, the Parties shall be given reasonable notice and an opportunity to object before consolidation is ordered.

(b) The Hearing Officer may sever consolidated proceedings for good cause.

NOTE: Authority cited: sections 55, 59, 1742(b), and 1773.5, Labor Code. Reference: section 11507.3, Government Code, and section 1742(b), Labor Code.

17233. Prehearing Motions; Cut Off Date.

(a) Any motion made in advance of the hearing on the merits, any opposition thereto, and any further reply shall be in writing and directed to the appointed Hearing Officer. No particular format shall be required; however, the following information shall appear prominently on the first page: (1) the case name (*i.e.*, names of the Parties); (2) any assigned case number; (3) the name of the Hearing Officer to whom the paper is being submitted; (4) the identity of the Party submitting the paper; (5) the nature of the relief sought; and (6) the scheduled date, if any, for the hearing on the merits of the Request for Review. The motion shall also include a Proof of Service, as defined in Rule 10 [Section 17210] above, showing that copies have been served on all other Parties to the proceeding.

(b) Prehearing motions shall be served and filed no later than 20 days prior to the hearing on the merits of the Request for Review. Any opposition shall be served and filed no later than 10 days after service of the motion or at least 7 days prior to the hearing on the merits, whichever is earlier. The Hearing Officer may in his or her discretion decide the motion in writing in advance of the hearing on the merits or reserve the matter for further consideration and determination at the hearing on the merits.

(c) There shall be no right to a separate oral hearing on any prehearing motion, except in those instances in which an oral hearing has been specially requested by a Party or the Hearing Officer *and* in which the enforcement or forfeiture of a fundamental right is at stake. When the Hearing Officer determines that such an oral hearing is necessary or appropriate, it may be conducted by telephone or other manner that is convenient to the Parties.

(d) With the exception of timeliness challenges under Rule 27 [Section 17227], prehearing motions which seek to dispose of a Request for

Review or any related claim or defense are disfavored and ordinarily will not be considered prior to the hearing on the merits.

NOTE: Authority cited: sections 55, 59, 1742(b), and 1773.5, Labor Code. Reference: section 1742(b), Labor Code.

17234. Evidence by Affidavit or Declaration.

(a) At any time 20 or more days prior to commencement of a hearing, a Party may serve upon all other Parties a copy of any affidavit or declaration which the proponent proposes to introduce in evidence, together with a notice as provided in subpart (b). Unless another Party, within 10 days after service of such notice, delivers to the proponent a request to cross-examine the affiant or declarant, the right to cross-examine such affiant or declarant is waived and the affidavit or declaration, if introduced in evidence, shall be given the same effect as if the affiant or declarant had testified in person. If an opportunity to cross-examine an affiant or declarant is not afforded after request therefore is made as herein provided, the affidavit or declaration may be introduced in evidence, but shall be given only the same effect as other hearsay evidence.

(b) The notice referred to in subpart (a) shall be substantially in the following form with the appropriate information inserted in the places enclosed by brackets:

"The accompanying affidavit or declaration of [name of affiant or declarant] will be introduced as evidence at the hearing in [title and other information identifying the proceeding]. [Name of affiant or declarant] will not be called to testify orally, and you will not be entitled to question the affiant or declarant unless you notify [name of the proponent, Representative, agent or attorney] at [address] that you wish to cross-examine the affiant or declarant. Your request must be mailed or delivered to [name of proponent, Representative, agent or attorney] on or before [specify date *at least* 10 days after anticipated date of service of this notice on the other Parties]."

(c) If a timely request is made to cross-examine an affiant or declarant under this Rule, the burden of producing that witness at the hearing shall be upon the proponent of the witness. If the proponent fails to produce the witness, the affidavit or declaration may be introduced in

evidence, but shall be given only the same effect as other hearsay evidence under Rule 44_[Section 17244].

17235. Subpoena and Subpoena Duces Tecum.

(a) Subpoenas and subpoenas duces tecum may be issued for attendance at a hearing and for the production of documents at any reasonable time and place or at a hearing.

(b) Subpoenas and subpoenas duces tecum shall be issued by the Hearing Officer at the request of a Party, or by the attorney of record for a Party, in accordance with sections 1985 to 1985.6, inclusive, of the Code of Civil Procedure. The burden of serving a subpoena that has been issued by the Hearing Officer shall be upon the Party who requested the subpoena.

(c) Service of subpoenas and subpoenas duces tecum, objections thereto, and mileage and witness fees shall be governed by the provisions of Government Code sections 11450.20 through 11450.40.

(d) Subpoenas and subpoenas duces tecum shall be enforceable through the Contempt and Monetary Sanctions provision set forth in Rule 47 [Section 17247] below. A Party aggrieved by the failure or refusal of any witness to obey a subpoena or subpoena duces tecum shall have the burden of showing to the satisfaction of the Hearing Officer that the subpoena or subpoena duces tecum was properly issued and served and that the testimony or evidence sought was necessary to prove or disprove a significant claim or defense in the proceeding.

NOTE: Authority cited: 55, 59, 1742(b), and 1773.5, Labor Code. Reference: sections 1985 through 1988, Code of Civil Procedure; section 1563, Evidence Code; sections 11450.20 through 11455.30, Government Code; and section 1742(b), Labor Code.

17236. Written Notice to Party in Lieu of Subpoena.

(a) In the case of the production of a Party of record in the proceeding or of a Person for whose benefit a proceeding is prosecuted or defended, the service of a subpoena upon any such witness is not required if written notice requesting the

witness to attend, with the time and place of the hearing, is served on the attorney of the Party or Person. For purposes of this Rule, a Party of record in the proceeding or Person for whose benefit a proceeding is prosecuted or defended includes an officer, director, or managing agent of any such Party or Person.

(b) Service of written notice to attend under this Rule shall be made in the same manner and subject to the same conditions provided in section 1987 of the Code of Civil Procedure for service of written notice to attend in a civil action or proceeding.

(c) The Hearing Officer shall have authority under Rule 47 [Section 17247] below to sanction a Party who fails or refuses to comply with a written notice to attend that meets the requirements of this Rule and has been timely served in accordance with section 1987 of the Code of Civil Procedure. However, the Hearing Officer may not initiate contempt proceedings against the witness for failing to appear based solely on non-compliance with a written notice to attend served on the Party's attorney. A Party seeking sanctions for another Party's failure or refusal to comply with a written notice to attend shall have the burden of showing to the satisfaction of the Hearing Officer that the written notice to attend was properly issued and timely served and that the testimony or evidence sought was necessary to prove or disprove a significant claim or defense in the proceeding.

17237. Depositions and Other Discovery.

(a) There shall be no right to take oral depositions or obtain any other form of discovery that is not expressly authorized under these Rules.

(b) Oral depositions may be conducted only by stipulation of all Parties to the proceedings or by order of the appointed Hearing Officer upon a showing of substantial good cause. Oral depositions will be permitted only for purposes of obtaining the testimony of witnesses who are likely to be unavailable to testify at the hearing.

(c) Nothing in this Rule shall preclude the use of deposition testimony or other evidence obtained in

separate proceedings, if such evidence is otherwise relevant and admissible.

ARTICLE 4. HEARINGS

17240. Notice of Appointment of Hearing Officer; Objections.

(a) Notice of the Appointment of a Hearing Officer under Rule 04 [Section 17204] above shall be provided to the Parties as soon as practicable and no later than when the matter is noticed for a prehearing conference or hearing.

(b) The Director may appoint a different Hearing Officer to conduct and hear the review or to conduct and dispose of any preliminary or procedural matter in a given case.

(c) A Party wishing to object to the appointment of a particular Hearing Officer, including for any one or more of the grounds specified in sections 11425.30 and 11425.40 of the Government Code or section 1742(b) of the Labor Code, shall within 10 days after receiving notice of the appointment and no later than the start of any hearing on the merits, *whichever is earlier*, file a motion to disqualify the appointed Hearing Officer together with a supporting affidavit or declaration. The motion shall be filed with the Chief Counsel of the Office of the Director at the address indicated in Rule 23 [Section 17223] above. Notwithstanding the foregoing time limits, if a Party subsequently discovers facts constituting grounds for the disqualification of the appointed Hearing Officer, including but not limited to that the Hearing Officer has received a prohibited ex parte communication in the pending case, the motion shall be filed as soon as practicable after the facts constituting grounds for disqualification are discovered.

(d) Upon receipt of a motion to disqualify the appointed Hearing Officer, the Director may: (1) consider and decide the motion or appoint another Hearing Officer to consider and decide the motion, in which case the challenged Hearing Officer shall first be given an opportunity to respond to the motion, but no proceedings shall be conducted by the challenged Hearing Officer until the motion is determined; or (2) appoint another

Hearing Officer to hear the Request for Review, in which case the motion shall be deemed moot.

NOTE: Authority cited: sections 55, 59, 1742(b), and 1773.5, Labor Code . Reference: sections 170.3(c)(1), Code of Civil Procedure; sections 11425.30 and 11425.40, Government Code; and section 1742(b), Labor Code.

17241. Time and Place of Hearing.

(a) A hearing on the merits of a timely Request for Review shall be commenced within 90 days after the date it is received by the Office of the Director. The hearing shall be conducted at a suitable location within the county where the appointed Hearing Officer maintains his or her regular office, unless the hearing is moved to a different county in accordance with subpart (b) below.

(b) Upon the agreement of the Parties or upon a showing of good cause by either the Party who filed the Request for Review or the Enforcing Agency, the hearing shall be conducted at a suitable location within either (1) the county where a majority of the subject public works employment was performed, or (2) any other county that is proximate to or convenient for the Parties and necessary witnesses.

(c) A suitable location under this section means one that is open and accessible to members of the public and which includes appropriate facilities for the recording of testimony. Any facility that is regularly used by any state agency or by the Awarding Body for public hearings and that will reasonably accommodate the anticipated number of Parties and witnesses involved in the proceeding, is presumed suitable in the absence of a contrary showing. Parties seeking to change the location of a hearing under subpart (b) shall make reasonable efforts to identify, agree upon, and arrange for the availability of a suitable location within a county specified in subpart (b)(1) or (b)(2).

NOTE: Authority cited: sections 55, 59, 1742(b), and 1773.5, Labor Code. Reference: section 11425.20, Government Code; and section 1742(b), Labor Code.

17242. Open Hearing; Confidential Evidence and Proceedings; and Exclusion of Witnesses.

(a) Subject to the qualifications set forth below, the hearing shall be open to the public. If all or part of the hearing is conducted by telephone, television, or other electronic means, the Hearing

Officer shall conduct the hearing from a location where members of the public may be physically present, and members of the public shall also have a reasonable right of access to the hearing record and any transcript of the proceedings.

(b) Notwithstanding the provisions of subpart (a), the Hearing Officer may order closure of a hearing or make other protective orders to the extent necessary to: (1) preserve the confidentiality of information that is privileged, confidential, or otherwise protected by law; (2) ensure a fair hearing in the circumstances of the particular case; or (3) protect a minor witness or a witness with a developmental disability from intimidation or other harm, taking into account the rights of all persons.

(c) Upon motion of any Party or upon his or her own motion, the Hearing Officer may exclude from the hearing room any witnesses not at the time under examination. However, a Party to the proceeding and the Party's Representative shall not be excluded.

(d) This section does not apply to any prehearing or settlement conference.

17243. Conduct of Hearing.

(a) Testimony shall be taken only on oath or affirmation under penalty of perjury.

(b) Every Party shall have the right to call and examine witnesses; to introduce exhibits; to question opposing witnesses on any matter relevant to the issues even though that matter was not covered in the direct examination; to impeach any witness regardless of which Party first called the witness to testify; and to rebut any opposing evidence. A Party may be called by an opposing Party and examined as if under cross-examination, whether or not the Party called has testified or intends to testify on his or her own behalf.

(c) The Hearing Officer may call and examine any Party or witness and may on his or her own motion introduce exhibits.

(d) The Hearing Officer shall control the taking of evidence and other course of proceedings in a hearing and shall exercise that control in a manner best suited to ascertain the facts and safeguard the rights of the Parties. Prior to taking evidence, the Hearing Officer shall define the issues and explain

the order in which evidence will be presented; *provided that*, for good cause the Hearing Officer later may vary the order of presentation as circumstances warrant.

17244. Evidence Rules; Hearsay.

(a) The hearing need not be conducted according to technical rules relating to evidence and witnesses. Any relevant evidence shall be admitted if it is the sort of evidence on which responsible persons are accustomed to rely in the conduct of serious affairs, regardless of the existence of any common law or statutory rule which might make improper the admission of such evidence over objection in civil actions.

(b) The rules of privilege shall be recognized to the same extent and applied in the same manner as in the courts of this state.

(c) The Hearing Officer may exclude evidence if its probative value is substantially outweighed by the probability that its admission will necessitate undue consumption of time.

(d) Hearsay evidence is admissible but shall not be sufficient in itself to support a finding unless it either would be admissible over objection in a civil action or no Party raises an objection to such use. Unless previously waived, an objection or argument that evidence is insufficient in itself to support a finding because of its hearsay character shall be timely if presented at any time before submission of the case for decision.

17245. Official Notice.

(a) A Hearing Officer may take official notice of (1) the Director's General Prevailing Wage Determinations, the Director's Precedential Coverage Decisions, and wage data, studies, and reports issued by the Division of Labor Statistics and Research; (2) any other generally accepted technical fact within the fields of labor and employment that are regulated by the Director under Divisions 1, 2, and 3 of the Labor Code; and (3) any fact which either must or may be judicially noticed by the courts of this state under Evidence Code sections 451 and 452.

(b) The Parties participating in a hearing shall be informed of those matters as to which official notice is proposed to be taken and given a reasonable opportunity to show why and the extent to which official notice should or should not be taken.

(c) The Hearing Officer or the Director shall state in a decision, order, or on the record the matters as to which official notice has been taken.

NOTE: Authority cited: sections 55, 59, 1742(b), and 1773.5, Labor Code. Reference: sections 451, 452 and 455, Evidence Code; section 11515, Government Code; and section 1742(b), Labor Code.

17246. Failure to Appear; Relief from Default.

(a) Upon the failure of any Party to appear at a duly noticed hearing, the Hearing Officer may proceed in that Party's absence and may recommend whatever decision is warranted by the available evidence, including any lawful inferences that can be drawn from an absence of proof by the non-appearing Party.

(b) For good cause and under such terms as are just, the appointed Hearing Officer or the Director may relieve a Party from the effects of any failure to appear and order that a review proceeding be reinstated or reheard. A Party seeking relief from non-appearance shall file a written motion at the earliest opportunity and no later than 10 days following a proceeding of which the Party had actual notice. Such application shall be supported by an affidavit or declaration based on the personal knowledge of the declarant, and copies of the application and any supporting materials shall be served on all other Parties to the proceeding. No application shall be granted unless and until the other Parties have been afforded a reasonable opportunity to make a showing in opposition. An Order reinstating a proceeding or granting a rehearing under this section may be conditioned upon providing reimbursement to the Department and the other Parties for the costs associated with the prior non-appearance.

(c) Notwithstanding any application or showing made under subpart (b) of this Rule, neither the Hearing Officer nor the Director may reinstate any Request for Review where the underlying Assessment or Withholding of Contract Payments has become final and entered as a court judgment.

17247. Contempt and Monetary Sanctions.

(a) If any Person in proceedings before an appointed Hearing Officer disobeys or resists any lawful order or refuses, without substantial justification, to respond to a subpoena, subpoena duces tecum, or refuses to take the oath or affirmation as a witness or thereafter refuses to be examined or is guilty of misconduct during a hearing or so near the place thereof as to obstruct the proceedings, or violates the prohibition against ex parte communications under Rule 07 [Section 17207] above, the Hearing Officer may do any one or more of the following: (1) certify the facts to the Superior Court in and for the county where the proceedings are held for contempt proceedings pursuant to Government Code section 11455.20; (2) exclude the Person from the hearing room; (3) prohibit the Person from testifying or introducing certain matters in evidence; and/or (4) establish certain facts, claims, or defenses if the Person in contempt is a Party.

(b) Either the appointed Hearing Officer by separate order or the Director in his or her decision may order a Party, the Party's authorized Representative, or both, to pay reasonable expenses, including attorney's fees, incurred by another Party as a result of bad faith actions or tactics that are frivolous or solely intended to cause unnecessary delay as defined in section 128.5 of the Code of Civil Procedure. Such order or the denial of such an order shall be subject to judicial review in the same manner as a decision of the Director on the merits. The order shall be enforceable in the same manner as a money judgment or by the contempt sanction.

17248. Interpreters.

(a) Proceedings shall be conducted in the English language. The notice advising a Party of the hearing date shall also include notice of the Party's right to request an interpreter for a Party or witness who cannot speak or understand English, or who can do so only with difficulty, or

who is deaf or hearing impaired as defined under Evidence Code section 754.

(b) A request for an interpreter for a Party or witness shall be submitted as soon as possible after the requesting Party becomes aware of the need for an interpreter and prior to the commencement of the hearing. The request should include information that (1) will enable the Hearing Officer and Department to obtain an interpreter with appropriate skills; and (2) will assist the Hearing Officer in determining whether the Department or the requesting Party should pay for the cost of the interpreter.

(c) Upon receipt of a timely request, the Hearing Officer shall direct the Department to provide an interpreter and shall also decide whether the Department or the requesting Party shall pay the cost of the interpreter, based upon an equitable consideration of all the circumstances, including the requesting Party's ability to pay.

(d) A person is qualified to serve as an interpreter if he or she (1) is on the current State Personnel Board List of Certified Administrative Hearing Interpreters maintained pursuant to Government Code section 11435.25; and (2) has also been examined and determined by the Department to be sufficiently knowledgeable of the terminology and procedures generally used in these proceedings.

(e) In the event that a qualified interpreter under subpart (d) is unavailable or if there are no certified interpreters for the language in which assistance is needed, the Hearing Officer may qualify and appoint another interpreter to serve as needed in a single hearing or case.

(f) Before appointment of an interpreter, the Hearing Officer or a Party may conduct a brief supplemental examination of the prospective interpreter to see if that person has the qualifications necessary to serve as an interpreter, including whether he or she understands terms and procedures generally used in these proceedings, can explain those terms and procedures in English and the other language being used, and can interpret those terms and procedures into the other language. An interpreter shall not have had any prior substantive involvement in the matter under review, and shall disclose to the Hearing Officer and the Parties any actual conflict of interest or appearance of conflict. Any condition that interferes with the objectivity of an interpreter constitutes a conflict

of interest. A conflict may exist if an interpreter is an employee of, acquainted with, or related to a Party or witness to the proceeding, or if an interpreter has an interest in the outcome of the proceeding.

(g) The Hearing Officer shall disqualify an interpreter if the interpreter cannot understand and interpret the terms and procedures used in the hearing or prehearing conference, has disclosed privileged or confidential communications, or has engaged in conduct which, in the judgment of the Hearing Officer, creates an appearance of bias, prejudice, or partiality.

(h) Nothing in this section limits any further rights extended by Evidence Code section 754 to a Party or witness who is deaf or hard of hearing.

NOTE: Authority cited: sections 55, 59, 1742(b), and 1773.5, Labor Code. Reference: section 754, Evidence Code; sections 11435.05 through 11435.65, and 68560 through 68566, Government Code; and section 1742(b), Labor Code.

17249. Hearing Record; Recording of Testimony and other Proceedings.

(a) The Hearing Officer and the Director shall maintain an official record of all proceedings conducted under these Rules. In the absence of a determination under subpart (b) below, all testimony and other proceedings at any hearing shall be recorded by audiotape. Recorded testimony or other proceedings need not be transcribed unless requested for purposes of further court review of a decision or order in the same case.

(b) Upon the application of any Party or upon his or her own motion, the Hearing Officer may authorize the use of a certified court reporter, videotape, or other appropriate means to record the testimony and other proceedings. Any application by a Party under this subpart shall be made at a prehearing conference or by prehearing motion filed no later than 10 days prior to the scheduled date of hearing. Upon the granting of any such application, it shall be the responsibility of the Party or Parties who made the application to procure and pay for the services of a qualified person and any additional equipment needed to record the testimony and proceedings by the requested means. Ordinarily the granting of such application will be conditioned on the applicant's paying for certified copies of the transcript for the official record and for the other Parties. The

failure of a requesting Party to comply with this requirement shall not be cause for delaying the hearing on the merits, but instead shall result in the proceedings being tape recorded in accordance with subpart (a).

(c) The Parties may, at their own expense, arrange for the recording of testimony and other proceedings through a different means other than the one authorized by the Hearing Officer, *provided that* it does not in any way interfere with the Hearing Officer's control and conduct of the proceedings, and *further provided that*, it shall not be regarded as an official record for any purpose absent a stipulation by all of the Parties or order of the Hearing Officer.

NOTE: Authority cited: sections 55, 59, 1742(b), and 1773.5, Labor Code. Reference: section 1742(b), Labor Code.

17250. Burdens of Proof on Wages and Penalties.

(a) The Enforcing Agency has the burden of coming forward with evidence that the Affected Contractor or Subcontractor (1) was served with an Assessment or Notice of Withholding of Contract Payments in accordance with Rule 20 [Section 17220]; (2) was provided a reasonable opportunity to review evidence to be utilized at the hearing in accordance with Rule 24 [Section 17224]; and (3) that such evidence provides prima facie support for the Assessment or Withholding of Contract Payments.

(b) If the Enforcing Agency meets its initial burden under (a), the Affected Contractor or Subcontractor has the burden of proving that the basis for the Civil Wage and Penalty Assessment or for the Withholding of Contract Payments is incorrect.

(c) With respect to any civil penalty established under Labor Code section 1775, the Affected Contractor or Subcontractor shall have the burden of proving that the Labor Commissioner abused his or her discretion in determining that a penalty was due or in determining the amount of the penalty.

(d) All burdens of proof and burdens of producing evidence shall be construed in a manner consistent with relevant sections of the Evidence Code, and the quantum of proof required to establish the existence or non-existence of any fact shall be by a preponderance

of the evidence, unless a higher standard is prescribed by law.

NOTE: Authority cited: sections 55, 59, 1742(b), and 1773.5, Labor Code. Reference: sections 500, 502, and 550, Evidence Code; and sections 1742(b) and 1775, Labor Code.

17251. Liquidated Damages.

(a) With respect to any liquidated damages for which an Affected Contractor, Subcontractor, or Surety on a bond becomes liable under Labor Code section 1742.1, the Enforcing Agency shall have a further burden of coming forward with evidence to show the amount of wages that remained unpaid as of 60 days following the service of the Assessment or Notice of Withholding of Contract Payments. The Affected Contractor or Subcontractor shall have the burden of demonstrating that he or she had substantial grounds for believing the Assessment or Notice to be in error.

(b) To demonstrate “substantial grounds for believing the Assessment or Notice to be in error,” the Affected Contractor or Subcontractor must establish (1) that it had a reasonable subjective belief that the Assessment or Notice was in error; (2) that there is an objective basis in law and fact for the claimed error; and (3) that the claimed error is one that would have substantially reduced or eliminated any duty to pay additional wages under the Assessment or Notice.

17252. Oral Argument and Briefs.

(a) Parties may submit prehearing briefs of reasonable length under such conditions as the appointed Hearing Officer shall prescribe. Parties shall also be permitted to present a closing oral argument of reasonable length at or following the conclusion of the hearing.

(b) There shall be no automatic right to file a post-hearing brief. However, the Hearing Officer may permit the Parties to submit written post-hearing briefs, under such terms as are just. The Hearing Officer shall have discretion to determine, among other things, the length and format of such briefs and whether they will be filed simultaneously or on a staggered (opening, response, and reply) basis.

(c) In addition to or as an alternative to post-hearing briefs, the Hearing Officer may also

prepare proposed findings or a tentative decision or may designate a Party to prepare proposed findings and thereafter give the Parties a reasonable opportunity to present arguments in support of or opposition to any proposed findings or tentative decision prior to the issuance of a decision by the Director under Rule 60 [Section 17260] below.

NOTE: Authority cited: sections 55, 59, 1742(b), and 1773.5, Labor Code. Reference: section 1742(b), Labor Code.

17253. Conclusion of Hearing; Time for Decision.

(a) The hearing shall be deemed concluded and the matter submitted either upon the completion of all testimony and post-hearing arguments or upon the expiration of the last day for filing any post-hearing brief or other authorized submission, whichever is later. Thereafter, the Director shall have 45 days within which to issue a written decision affirming, modifying, or dismissing the Assessment or the Withholding of Contract Wages.

(b) For good cause, the Hearing Officer may vacate the submission and reopen the hearing for the purpose of receiving additional evidence or argument, in which case the time for the Director to issue a written decision shall run from the date of resubmission.

NOTE: Authority cited: sections 55, 59, 1742(b), and 1773.5, Labor Code. Reference: section 1742(b), Labor Code.

ARTICLE 6. DECISION OF THE DIRECTOR

17260. Decision.

(a) The appointed Hearing Officer shall prepare a recommended decision for the Director’s review and approval. The decision shall consist of a notice of findings, findings, and an order, and shall be in writing and include a statement of the factual and legal basis for the decision, consistent with the requirements of Labor Code section 1742 and Government Code section 11425.50.

(b) A recommended decision shall have no status or effect unless and until approved by the Director and issued in accordance with subpart (c) below.

(c) A copy of the decision shall be served by first class mail on all Parties in accordance with the requirements of Code of Civil Procedure section 1013. If a Party has appeared through an authorized Representative, service shall be made

on that Party at the last known address on file with the Enforcing Agency in addition to service on the authorized Representative.

NOTE: Authority cited: sections 55, 59, 1742(b), and 1773.5, Labor Code. Reference: section 1013, Code of Civil Procedure; section 11425.50, Government Code; and section 1742(b), Labor Code.

17261. Reconsideration.

(a) Upon the application of any Party or upon his or her own motion, the Director may reconsider or modify a decision issued under Rule 60 [Section 17260] above for the purpose of correcting any error therein.

(b) The decision must be reconsidered or modified within 15 days after its date of issuance pursuant to Rule 60(c) [Section 17260(c)]. Thereafter, the decision may not be reconsidered or modified, except that a clerical error may be corrected at any time.

(c) The modified or reconsidered decision shall be served on the Parties in the same manner as a decision issued under Rule 60 [Section 17260].

(d) A Party is not required to apply for reconsideration before seeking judicial review of a decision of the Director. An application for reconsideration made by any Party shall *not* extend the time for seeking judicial review pursuant to Labor Code section 1742(c) unless the Director issues a modified or reconsidered decision within the 15-day time limit prescribed in subpart (b) of this section.

NOTE: Authority cited: sections 55, 59, 1742(b), and 1773.5, Labor Code. Reference: section 1742, Labor Code.

17262. Final Decision; Time for Seeking Review.

(a) The decision of the Director issued pursuant to Section Rule 60 [Section 17260] above shall be the final decision of the Director from which any Party may seek judicial review pursuant to the provisions of Labor Code section 1742(c) and Code of Civil Procedure section 1094.5; *provided however*, that if the Director has issued a modified decision pursuant to and within the 15-day limit of the Director's reconsideration authority under Section Rule 61 [Section 17261] above and Labor Code section 1742(b), the right of review and time for seeking such review shall extend from the date of service of the modified decision rather than from the original decision.

(b) The modification of a decision to correct a clerical error after expiration of the 15-day time limit on the Director's reconsideration authority shall *not* extend the time for seeking judicial review.

(c) The time for seeking judicial review shall be determined from the date of service of the decision of the Director under Code of Civil Procedure section 1013, including any applicable extension of time provided in that statute.

(d) Any petition seeking judicial review of a decision under these Rules may be served (1) upon the Director by serving the Office of the Director – Legal Unit where the appointed Hearing Officer who conducted the hearing on the merits regularly maintains his or her office; and (2) upon the Labor Commissioner (in cases in which the Labor Commissioner was the Enforcing Agency) by the serving the regular office of the attorney who represented the Labor Commission at the hearing on the merits. The intent of this subpart is to authorize and designate a preferred method for giving the Director and the Labor Commissioner formal notice of a court action seeking review of a decision of the Director under these Rules; it does not preclude the use any other service method authorized by law.

NOTE: Authority cited: sections 55, 59, 1742(b), and 1773.5. Reference: sections 1013 and 1094.5, Code of Civil Procedure; and section 1742, Labor Code.

17263. Preparation of Record for Review.

(a) Upon notice that a Party intends to seek judicial review of a decision of the Director and the payment of any required deposit, the Department, under the direction of the appointed Hearing Officer, shall immediately prepare a hearing record consisting of all exhibits and other papers and a transcript of all testimony which the Party has designated for the inclusion in the record on review.

(b) The Party who has requested the record or any part thereof shall bear the cost of its preparation, including but not necessarily limited to any court reporter transcription fees and reasonable charges for the copying, binding, certification, and mailing of documents. Absent good cause, no record will be released to a Party or filed with a court until adequate funds to cover the cost of preparing the record have been paid by the requesting Party to the Department or to any third party designated to

prepare the record. However, upon notice that a Party seeking judicial review has been granted *in forma pauperis* status under California Rule of Court 985, the Department shall bear the cost of preparing and filing the record where necessary for a proper review of the proceedings.

(c) The pendency of any request for the Department to prepare a hearing record shall *not* extend the time limits for filing a petition for review under Labor Code section 1742(c) and Code of Civil Procedure section 1094.5.

NOTE: Authority cited: sections 55, 59, 1742(b), and 1773.5, Labor Code. Reference: section 1094.5, Code of Civil Procedure; California Rule of Court 985; section 68511.3, Government Code; and section 1742(c), Labor Code.

17264. Request for Participation by Director in Judicial Review Proceeding.

Although the Director should be named as the Respondent in any action seeking judicial review of a final decision, the Director ordinarily will rely upon the Parties to the hearing (as Petitioner and Real Party in Interest) to litigate the correctness of the final decision in the writ proceeding and on any appeal. The Director may participate actively in proceedings raising issues that specifically concern the Director's authority under the statutes and regulations governing the payment of prevailing wages on public work contracts, or the validity of related laws, regulations, or the Director's decisions as to public works coverage or generally applicable prevailing wage rates. Any Party may request the Director to file a response in the action by including a separate written request with any court pleading being served on the Director in accordance with Rule 62(d) [Section 17262(d)]. Any such separate written request should specify briefly what issues are raised by the petition that extend beyond the facts of the case and warrant the Director's participation.

NOTE: Authority cited: sections 55, 59, 1742(b), and 1773.5, Labor Code. Reference: section 1094.5, Code of Civil Procedure and section 1742(c), Labor Code.

ARTICLE 7. TRANSITIONAL RULE.

17270. Applicability of these Rules to Notices Issued Between April 1, 2001 and June 30, 2001.

(a) These Rules shall apply to any notice issued by the Labor Commissioner or an Awarding Body

with respect to the withholding or forfeiture of contract payments for unpaid wages or penalties under the prevailing wage laws in effect prior to July 1, 2001; *provided that*, the party seeking review has not commenced a civil action with respect to such notice under the provisions of Labor Code sections 1731-1733 [repealed effective July 1, 2001].

(b) An Affected Contractor or Subcontractor may appeal any such notice served between April 1, 2001 and June 30, 2001 by filing a Request for Review with the Enforcing Agency that issued the notice, in the manner and form specified in Rule 22 [Section 17222] above. Any such Request for Review shall be in writing and shall include a statement indicating the date upon which the contractor or subcontractor was served with the notice of withholding or forfeiture.

(c) This Rule shall *not* extend the time available to appeal the notice under the former law. A Request for Review of a notice issued prior to July 1, 2001 must be filed with the Enforcing Agency within ninety (90) days after service of the notice.

(d) A contractor or subcontractor who has sought review of a notice issued prior to July 1, 2001 by filing a court action under the repealed provisions of Labor Code sections 1731-1733 on or after July 1, 2001, shall, if said action would have been timely under those sections, be afforded the opportunity to dismiss the action without prejudice, after entering into a stipulation that the proceeding be transferred to the Director for hearing in accordance with these Rules. The stipulation shall also provide that the time for commencing a hearing under Rule 41 [Section 17241] shall not begin to run until the case has been formally transferred to and received by the Office of the Director.

(e) Any hearing request made pursuant to Labor Code section 1771.7 [repealed effective July 1, 2001] that has not been heard and decided by a Hearing Officer prior to July 1, 2001 shall be handled in accordance with these Rules.

Operational Manual

SECTION III

OPERATION MANUAL

Site Visitations

1. Safety is the paramount factor for any site visit to any City construction projects. Labor Compliance Officers shall not enter any area that appears unsafe. Labor Compliance Officers are expected to exercise reasonable caution at all times.
2. All authorized personnel visiting any City construction site are required to be properly identified as a City representative by wearing visible picture ID's (badge) or identifying themselves as such. Additionally, all authorized personnel are required to wear hard hats, safety shoes and safety vests.
3. Authorized personnel shall visit all sites on a non-interference basis and take a minimum amount of the workers' time for interview purposes.
4. Upon arrival at a site, the Labor Compliance Officer will check in at the site superintendent's (contractor's) trailer prior to any interviewing. In the event there is not a construction trailer, Labor Compliance Officers will check in at the site's administrative office. Labor Compliance Officer will identify self and state the purpose of the visit. Labor Compliance Officer will sign in if required to do so. If the site superintendent cites some reason that denies access to the site, Labor Compliance Officer will promptly and politely remove self and make a note of this occurrence and include it in a report for the Project Wage File.
5. Labor Compliance Officer will check to see the following are displayed in the contractor's trailer:
 - EOE Posters
 - Posted prevailing wage sheets
 - Sign-in Log
 - Listing of subcontractors on site

If any of these items are not readily visible, Labor Compliance Officer will remind the contractor these postings are part of the contractual requirements. On subsequent visits, Labor Compliance Officer will make sure that these items are posted or the contractor will be found to be in noncompliance.

6. There will be times when the site superintendent is somewhere on the site and/or there is no contractor present in the trailer. Labor Compliance Officers should check in at the City's Resident Engineer's trailer. The RE will also know which contractors are on site at that time. If all trailers are empty or locked, Labor Compliance Officers should locate the site superintendent or RE on the site prior to commencing interviews.

Interviewing

1. Once the Labor Compliance Officer has checked in with the site superintendent and obtained access to the site, the Labor Compliance Officer should try to locate tradespersons working

in clusters; for instance, several painters, electricians, roofers, etc. working in one area. The workers should be approached individually in a non-threatening, professional manner. The Labor Compliance Officer should identify self, indicating they are a City representative needing only a few seconds of time to ask some very generic questions to ensure receipt of the proper rate of pay for the type of work performed. Again, no person's safety should be endangered in conducting these interviews. For instance, the Labor Compliance Officer should not insist that someone on a scaffold 40 feet in the air come down for an interview. Employees should not be asked to form a line but should be allowed to continue working until interviewed individually.

These interviews are random; two or three tradespersons for each subcontractor are more than sufficient for one visit. Any persons missed are usually picked up on the next visit. If only one tradesperson is at the site, then that person should be interviewed if possible. If the Labor Compliance Officer is told the rest of a crew will be there in an hour, the Labor Compliance Officer should not wait unless total site interviewing will take that length of time. Thirty minutes of interviewing per site is typically sufficient, depending upon site size and/or number of subcontractors present. A contractor tradesperson should also be interviewed.

2. Using the Labor Compliance Site Visitation Interview form, each interviewee should be asked the following: name, social security number, employer, title (trade), rate of pay and task being performed at the time of interview.
3. If someone declines to speak with a Labor Compliance Officer, those wishes should be respected. If someone asks if the interview is union-related, they should be told no. The City works with both open and closed shop trades.
4. If a Labor Compliance Officer tries to interview someone who does not speak English and communication in the appropriate language cannot occur, the Labor Compliance Officer should try to locate a coworker who can interpret. If an entire crew is unable to speak English and no interpreter is available this should be included in your report to the Labor Compliance Officer.
5. If an interviewee refuses to disclose a social security number, those wishes should be respected. However, interviewees should be assured that all information given is kept strictly confidential.
6. If an interviewee does not know their rate of pay (most tradespersons don't know), the Labor Compliance Officer should ask for a guesstimate. If the response is, "whatever prevailing wage is," that response should be indicated on the form.
7. If an interviewee indicates that he/she is an apprentice, the Labor Compliance Officer should make sure to ask "What period?" These can be anywhere from 1st to 10th. If the interviewee is not sure, ask how many years have been apprenticed in the specific trade and/or to guesstimate and so indicate on the interview form.

8. Labor Compliance Officer's should ALWAYS thank each interviewee for their time.
9. Labor Compliance Officer's are there to collect information only, not to dictate how to perform jobs. Should a Labor Compliance Officer witness a potentially unsafe or unwarranted condition, the Labor Compliance Officer should contact the site inspector or job superintendent immediately and make a note on the site visitation log of what was observed. Upon return to the office, Labor Compliance Officers should report findings to the Program Administrator.

Reporting

1. All original interview forms conducted by Labor Compliance Officers shall be included in Project Wage Files no later than the end of each workweek.

EXCERPTS FROM THE CALIFORNIA LABOR CODE
RELATING TO APPRENTICES ON PUBLIC WORKS

Chapter 1 of Division 2
APPRENTICES ON PUBLIC WORKS

1773.3. An awarding agency whose public works contract falls within the jurisdiction of Section 1777.5 shall, within five days of the award, send a copy of the award to the Division of Apprenticeship Standards. When specifically requested by a local joint apprenticeship committee, the division shall notify the local joint apprenticeship committee regarding all such awards applicable to the joint apprenticeship committee making the request. Within five days of a finding of any discrepancy regarding the ratio of apprentices to journeymen, pursuant to the certificated fixed number of apprentices to journeymen, the awarding agency shall notify the Division of Apprenticeship Standards.

1776. (a) Each contractor and subcontractor shall keep accurate payroll records, showing the name, address, social security number, work classification, straight time and overtime hours worked each day and week, and the actual per diem wages paid to each journeyman, apprentice, worker, or other employee employed by him or her in connection with the public work. Each payroll record shall contain or be verified by a written declaration that it is made under penalty of perjury, stating both of the following:

(1) The information contained in the payroll record is true and correct.

(2) The employer has complied with the requirements of Sections 1771, 1811, and 1815 for any work performed by his or her employees on the public works project.

(b) The payroll records enumerated under subdivision (a) shall be certified and shall be available for inspection at all reasonable hours at the principal office of the contractor on the following basis:

(1) A certified copy of an employee's payroll record shall be made available for inspection or furnished to the employee or his or her authorized representative on request.

(2) A certified copy of all payroll records enumerated in subdivision (a) shall be made available for inspection or furnished upon request to a representative of the body awarding the contract, the Division of Labor Standards Enforcement, and the Division of Apprenticeship Standards of the Department of Industrial Relations.

(3) A certified copy of all payroll records enumerated in subdivision (a) shall be made available upon request by the public for inspection or for copies thereof. However, a request by the public shall be made through either the body awarding the contract, the Division of Apprenticeship Standards, or the Division of Labor Standards Enforcement. If the requested payroll records have not been provided pursuant to paragraph (2), the requesting party shall, prior to being provided the records, reimburse the costs of preparation by the contractor, subcontractors, and the entity through which the request was made. The public shall not be given access to the records at the principal office of the contractor.

(c) The certified payroll records shall be on forms provided by the Division of Labor Standards Enforcement or shall contain the same information as the forms provided by the division.

(d) A contractor or subcontractor shall file a certified copy of the records enumerated in subdivision (a) with the entity that requested the records within 10 days after receipt of a written request.

(e) Any copy of records made available for inspection as copies and furnished upon request to the public or any public agency by the awarding body, the Division of Apprenticeship Standards, or the Division of Labor Standards Enforcement shall be marked or obliterated in a manner so as to prevent disclosure of an individual's name, address, and social security number. The name and address of the contractor awarded the contract or the subcontractor performing the contract shall not be marked or obliterated.

(f) The contractor shall inform the body awarding the contract of the location of the records enumerated under subdivision (a), including the street address, city and county, and shall, within five working days, provide a notice of a change of location and address.

(g) The contractor or subcontractor shall have 10 days in which to comply subsequent to receipt of a written notice requesting the records enumerated in subdivision (a). In the event that the contractor or

subcontractor fails to comply within the 10-day period, he or she shall, as a penalty to the state or political subdivision on whose behalf the contract is made or awarded, forfeit twenty-five dollars (\$25) for each calendar day, or portion thereof, for each worker, until strict compliance is effectuated. Upon the request of the Division of Apprenticeship Standards or the Division of Labor Standards Enforcement, these penalties shall be withheld from progress payments then due. A contractor is not subject to a penalty assessment pursuant to this section due to the failure of a subcontractor to comply with this section.

(h) The body awarding the contract shall cause to be inserted in the contract stipulations to effectuate this section.

(i) The director shall adopt rules consistent with the California Public Records Act, (Chapter 3.5 (commencing with Section 6250), Division 7, Title 1, Government Code) and the Information Practices Act of 1977, (Title 1.8 (commencing with Section 1798), Part 4, Division 3, Civil Code) governing the release of these records, including the establishment of reasonable fees to be charged for reproducing copies of records required by this section.

(j) This section shall remain in effect only until January 1, 2003, and as of that date is repealed, unless a later enacted statute, that is enacted before January 1, 2003, deletes or extends that date.

1777.5. (a) Nothing in this chapter shall prevent the employment of properly registered apprentices upon public works.

(b) Every apprentice employed upon public works shall be paid the prevailing rate of per diem wages for apprentices in the trade to which he or she is registered and shall be employed only at the work of the craft or trade to which he or she is registered.

(c) Only apprentices, as defined in Section 3077, who are in training under apprenticeship standards that have been approved by the Chief of the Division of Apprenticeship Standards and who are parties to written apprentice agreements under Chapter 4 (commencing with Section 3070) of Division 3 are eligible to be employed at the apprentice wage rate on public works. The employment and training of each apprentice shall be in accordance with either (1) the apprenticeship standards and apprentice agreements under which he or she is training or (2) the rules and regulations of the California Apprenticeship Council.

(d) When the contractor to whom the contract is awarded by the state or any political subdivision, in performing any of the work under the contract, employs workers in any apprenticeable craft or trade, the contractor shall employ apprentices in at least the ratio set forth in this section and may apply to any apprenticeship program in the craft or trade that can provide apprentices to the site of the public work for a certificate approving the contractor under the apprenticeship standards for the employment and training of apprentices in the area or industry affected. However, approval or denial of the

apprenticeship program shall be subject to review by the Administrator of Apprenticeship. The apprenticeship program or programs, upon approving the contractor, shall arrange for the dispatch of apprentices to the contractor. A contractor covered by an apprenticeship program's standards shall not be required to submit any additional application in order to include additional public works contracts under that the program. "Apprenticeable craft or trade," as used in this section, means a craft or trade determined as an apprenticeable occupation in accordance with rules and regulations prescribed by the California Apprenticeship Council. As used in this section, "contractor" includes any subcontractor under a contractor who performs any public works not excluded by subdivision (o).

(e) Prior to commencing work on a contract for public works, every contractor shall submit contract award information to an applicable apprenticeship program that can supply apprentices to the site of the public work. The information submitted shall include an estimate of journeyman hours to be performed under the contract, the number of apprentices proposed to be employed, and the approximate dates the apprentices would be employed. A copy of this information shall also be submitted to the awarding body if requested by the awarding body. Within 60 days after concluding work on the contract, each contractor and subcontractor shall submit to the awarding body, if requested, and to the apprenticeship program a verified statement of the journeyman and apprentice hours performed on the contract. The information under this subdivision shall be public. The apprenticeship programs shall retain this information for 12 months.

(f) The apprenticeship program that can supply apprentices to the area of the site of the public work shall ensure equal employment and affirmative action in apprenticeship for women and minorities.

(g) The ratio of work performed by apprentices to journeymen employed in a particular craft or trade on the public work may be no higher than the ratio stipulated in the apprenticeship standards under which the apprenticeship program operates where the contractor agrees to be bound by those standards, but, except as otherwise provided in this section, in no case shall the ratio be less than one hour of apprentice work for every five hours of journeyman work.

(h) This ratio of apprentice work to journeyman work shall apply during any day or portion of a day when any journeyman is employed at the jobsite and shall be computed on the basis of the hours worked during the day by journeymen so employed. Any work performed by a journeyman in excess of eight hours per day or 40 hours per week shall not be used to calculate the ratio. The contractor shall employ apprentices for the number of hours computed as above before the end of the contract or, in the case of a subcontractor, before

the end of the subcontract. However, the contractor shall endeavor, to the greatest extent possible, to employ apprentices during the same time period that the journeymen in the same craft or trade are employed at the jobsite. Where an hourly apprenticeship ratio is not feasible for a particular craft or trade, the Division of Apprenticeship Standards, upon application of an apprenticeship program, may order a minimum ratio of not less than one apprentice for each five journeymen in a craft or trade classification.

(i) A contractor covered by this section that has agreed to be covered by an apprenticeship program's standards upon the issuance of the approval certificate, or that has been previously approved for an apprenticeship program in the craft or trade, shall employ the number of apprentices or the ratio of apprentices to journeymen stipulated in the applicable apprenticeship standards, but in no event less than the 1-to-5 ratio required by subdivision (g).

(j) Upon proper showing by a contractor that he or she employs apprentices in a particular craft or trade in the state on all of his or her contracts on an annual average of not less than one hour of apprentice work for every five hours of labor performed by journeymen, the Division of Apprenticeship Standards may grant a certificate exempting the contractor from the 1-to-5 hourly ratio, as set forth in this section for that craft or trade.

(k) An apprenticeship program has the discretion to grant to a participating contractor or contractor association a certificate, which shall be subject to the approval of the Administrator of Apprenticeship, exempting the contractor from the 1-to-5 ratio set forth in this section when it finds that any one of the following conditions is met:

(1) Unemployment for the previous three-month period in the area exceeds an average of 15 percent.

(2) The number of apprentices in training in the area exceeds a ratio of 1 to 5.

(3) There is a showing that the apprenticeable craft or trade is replacing at least one-thirtieth of its journeymen annually through apprenticeship training, either on a statewide basis or on a local basis.

(4) Assignment of an apprentice to any work performed under a public works contract would create a condition that would jeopardize his or her life or the life, safety, or property of fellow employees or the public at large, or the specific task to which the apprentice is to be assigned is of a nature that training cannot be provided by a journeyman.

(l) When an exemption is granted pursuant to subdivision (k) to an organization that represents contractors in a specific trade from the 1-to-5 ratio on a local or statewide basis, the member contractors will not be required to submit individual applications for approval to local joint apprenticeship committees, if they are already covered by the local apprenticeship standards.

(m) A contractor to whom a contract is awarded, who, in performing any of the work under the contract, employs journeymen or apprentices in any

apprenticeable craft or trade shall contribute to the California Apprenticeship Council the same amount that the director determines is the prevailing amount of apprenticeship training contributions in the area of the public works site. A contractor may take as a credit for payments to the council any amounts paid by the contractor to an approved apprenticeship program that can supply apprentices to the site of the public works project. The contractor may add the amount of the contributions in computing his or her bid for the contract. At the end of each fiscal year the California Apprenticeship Council shall make grants to each apprenticeship program in proportion to the number of hours of training provided by the program for which the program did not receive contributions, weighted by the regular rate of contribution for the program. These grants shall be made from funds collected by the California Apprenticeship Council during the fiscal year pursuant to this subdivision from contractors that employed registered apprentices but did not contribute to an approved apprenticeship program. All these funds received during the fiscal year shall be distributed as grants.

(n) The body awarding the contract shall cause to be inserted in the contract stipulations to effectuate this section. The stipulations shall fix the responsibility of compliance with this section for all apprenticeable occupations with the prime contractor.

(o) This section does not apply to contracts of general contractors or to contracts of specialty contractors not bidding for work through a general or prime contractor when the contracts of general contractors or those specialty contractors involve less than thirty thousand dollars (\$30,000) or 20 working days.

(p) All decisions of an apprenticeship program under this section are subject to Section 3081.

1777.6. It shall be unlawful for an employer or a labor union to refuse to accept otherwise qualified employees as registered apprentices on any public works, on the ground of the race, religious creed, color, national origin, ancestry, sex, or age, except as provided in Section 3077, of such employee.

1777.7. (a) A contractor or subcontractor that knowingly violates Section 1777.5 shall forfeit as a civil penalty an amount not exceeding one hundred dollars (\$100) for each full calendar day of noncompliance. The amount of this penalty shall be based on consideration whether the violation was a good faith mistake due to inadvertence. A contractor or subcontractor that knowingly commits a second or subsequent violation of Section 1777.5 within a three-year period, where the noncompliance results in apprenticeship training not being provided as required by this chapter, shall forfeit as a civil penalty the sum of not more than three hundred dollars (\$300) for each full calendar day of noncompliance.

Notwithstanding Section 1727, upon receipt of a determination that a civil penalty has been imposed, the awarding body shall withhold the amount of the civil penalty from contract progress payments then due or to become due.

(b) (1) In the event a contractor or subcontractor is determined by the Administrator of Apprenticeship to have knowingly violated any provision of Section 1777.5, the Administrator shall deny to the contractor or subcontractor, both individually and in the name of the business entity under which the contractor or subcontractor is doing business, the right to bid on or receive any public works contract for a period of up to one year for the first violation and for a period of up to three years for a second or subsequent violation. Each period of debarment shall run from the date the determination of noncompliance by the Administrator of Apprenticeship.

(2) An affected contractor or subcontractor may obtain a review of the debarment or civil penalty by transmitting a written request to the office of the Administrator within 30 days after service of the order of debarment or civil penalty. If the Administrator receives no request for review within 30 days after service, the order of debarment or civil penalty shall become final for the period authorized.

(3) Within 20 days of the timely receipt of a request for hearing, the Administrator shall provide the contractor or subcontractor the opportunity to review any evidence the Administrator may offer at the hearing. The Administrator shall also promptly disclose to the contractor or subcontractor any nonprivileged documents obtained after the 20-day time limit.

(4) Within 90 days of the timely receipt of the a request for hearing, a hearing shall be commenced before an impartial hearing officer designated by the Administrator and possessing the qualifications of an administrative law judge pursuant to Section 11502 of the Government Code. The contractor or subcontractor shall have the burden of showing compliance with Section 1777.5. The decision to debar shall be reviewed by a hearing officer or court only for abuse of discretion.

(5) Within 45 days of the conclusion of the hearing, the hearing officer shall issue a written decision affirming, modifying, or dismissing the debarment or civil penalty. The decision shall contain a notice of findings, findings, and an order. This decision shall be deemed the final decision of the Administrator and shall be served on all parties and the awarding body pursuant to Section 1013 of the Code of Civil Procedure by first-class mail at the last known address of the party on file with the Administrator. Within 15 days of issuance of the decision, the hearing officer may reconsider or modify the decision to correct an error, except that a clerical error may be corrected at any time.

(6) An affected contractor or subcontractor may obtain review of the final decision of the Administrator by filing a petition for a writ of mandate to the appropriate superior court pursuant to Section 1094.5 of the Code of Civil Procedure within

45 days after service of the final decision to debar or to assess a civil penalty. If no petition for a writ of mandate is filed within 45 days after service of the final decision, the order shall become final. If the petitioner claims that the findings are not supported by the evidence, abuse of discretion is established if the court determines that the findings are not supported by substantial evidence in light of the entire record.

(7) The Administrator may file a certified copy of a final order with the clerk of the superior court in any county in which the affected contractor or subcontractor has property or has or had a place of business.

(c) If a subcontractor is found to have violated Section 1777.5, the prime contractor of the project is not liable for any penalties under subdivision (a), unless the prime contractor had knowledge of the subcontractor's failure to comply with the provisions of Section 1777.5 or unless the prime contractor fails to comply with any of the following requirements:

(1) The contract executed between the contractor and the subcontractor for the performance of work on the public works project shall include a copy of the provisions of Sections 1771, 1775, 1776, 1777.5, 1813, and 1815.

(2) The contractor shall continually monitor a subcontractor's use of apprentices required to be employed on the public works project pursuant to subdivision (d) of Section 1777.5, including, but not limited to, periodic review of the certified payroll of the subcontractor.

(3) Upon becoming aware of a failure of the subcontractor to employ the required number of apprentices, the contractor shall take corrective action, including, but not limited to, retaining funds due the subcontractor for work performed on the public works project until the failure is corrected.

(4) Prior to making the final payment to the subcontractor for work performed on the public works project, the contractor shall obtain an affidavit signed under penalty of perjury from the subcontractor that the subcontractor has employed the required number of apprentices on the public works project.

(d) In lieu of the penalty provided for in subdivision (a) or (b), the director may for a first-time violation and with the concurrence of the apprenticeship program, order the contractor or subcontractor to provide apprentice employment equivalent to the work hours that would have been provided for apprentices during the period of noncompliance.

(e) Any funds withheld by the awarding body pursuant to this section shall be deposited in the General Fund if the awarding body is a state entity, or in the equivalent fund of an awarding body if the awarding body is an entity other than the state.

(f) The interpretation and enforcement of Section 1777.5 and this section shall be in accordance with the rules and procedures of the California Apprenticeship Council.
